“The decay of moral values in all areas of life—the period of deepest German degradation—coincided exactly with the height of Jewish power in Germany.” – Dr Friederich Karl Wiehe, *Germany and the Jewish Question*. [1]

Berlin in the heyday of the Weimar Republic: a hedonistic hellpit of sexual depravity.

No account of the Jewish Question in Germany can be complete without some mention of the tidal wave of sexual immorality that was to engulf the country during the period of the Weimar Republic (1919-1933) following World War One. This also happened to be the apogee of Jewish power in Germany. Every single sphere of major influence had now fallen under Jewish control.

## 1. THE CULTURAL TAKEOVER OF GERMANY BY THE JEWS

Dr Karl Wiehe, in his *Germany and the Jewish Question*, is painstaking in the details he provides:

Well before 1933 the Jews had taken possession of the *film industry* even more thoroughly than of the theater. That was understandable, because the earnings in the film industry overshadow the earnings of any other artistic activity....

The biggest step in the direction of the decline of the German cultural life [however] was taken in the field of the *light entertainment* genre. Here—in the genre of musical comedy and above all in revue and burlesque—frivolity and lasciviousness were to rear their ugly heads. So much so that during these years Berlin was quite correctly considered the most immoral city in the world.

It was Jews who introduced this pornographic “art form” to Germany, a debased genre completely unknown before the Great War, and so it is the Jews who can be held responsible for the general decline in morals.

The Jewish sexologists Ivan Bloch and Magnus Hirschfeld became the representatives of “sex research” camouflaged as science—a bogus science that was merely an excuse for pornography and propaganda designed to destroy the institute of marriage and the sanctity of the family. [2]

Wiehe provides the following useful facts and statistics:

In 1931, over 60 percent of **German films** were produced by Jews and 82 percent of the film scripts were written by Jewish writers, though Jews made up less than 1 percent of the German population (0.90%). A quick look at the names of directors, producers, stage managers, actors, script writers and critics, “revealed everywhere an overwhelming preponderance of Jews.”

A cursory survey of the **film titles**, Wiehe tells us, shows us that the Jews had only one thing on the brain: sex. Here are some typical titles: “Moral und Sinnlichkeit” (*Morals and Sensuality*); “Was kostet Liebe?” (*What is the Price of Love*); “Wenn ein Weib den Weg verliert” (*When a Woman loses her Way*);

(<https://www.darkmoon.me/uploads/15.jpg>)

Alexander Szekely, *German brothel in Ghent*

“Prostitution” (*Prostitution*);  
 “Sündige Mutter” (*Sinful Mama*);  
 “Das Buch des Lasters” (*The Book of Vices*).

“The sensational titles correspond to the sleazy contents,” Wiehe complains. “All wallow in filth and display with cynical frankness the vilest scenes of sexual perversion.” [3]

**Light entertainment** (revue/burlesque) was a Jewish innovation. The revue theaters, all concentrated within great cities such as Berlin, were owned and run almost exclusively by Jews. Shows consisted of little more than excuses for sexual titillation involving the display of the female form in lascivious dances that were to degenerate later into striptease and scenes of public masturbation. “In these revues,” Wiehe notes indignantly, “the uninhibited sex drive surrendered itself to disgusting orgies. All life was reduced to a common denominator of lust and its satisfaction. Chastity and self-discipline were mocked as old-fashioned prejudices.”

The Jews had managed, in the space of a mere fourteen years, to bring about a major “transvaluation of values” [4] in Weimar Germany. The vices of the past were now its virtues. The only vice that remained was chastity.

A glance at the **revue titles** is again sufficient: “Zieh dich aus” (*Get Undressed*); “Tausend nackte Frauen” (*One Thousand Naked Women*); “Die Sünden der Welt” (*The Sins of the World*); “Häuser der Liebe” (*The Houses of Love*); “Streng Verboten!” (*Strictly Forbidden!*); “Sündig und Süß” (*Sweet and Sinful*). [5]

Finally, there was the rich field of **sexology**: a new science consisting largely of dubious “case histories” purporting to reveal the depraved sexual habits of various anonymous patients. In order to give an air of academic respectability and erudition to these masturbatory fantasies—thrilling adventure stories involving necrophilia, bestiality and handkerchief fetishism—the more exciting details were often given in vulgar Latin “in order to exclude the lay reader.” [6] However, it was not long before the Latin was diligently translated into the vernacular for the benefit of the unlatined lay reader, thus defeating the purpose of the prim “schoolmaster’s Latin”.

Wiehe reels off a long list of Jewish sexologists who he claims were in the forefront of writing such salacious treatises that were no more than pornography masquerading as science. Drs Magnus Hirschfeld [7] and Ivan Bloch [8] were the star writers in this field, their books still read avidly today by a gullible public hungry for details of the bizarre, the kinky and the perverse. Drs Ludwig Lewy-Lenz, Leo Schidrowitz, Franz Rabinowitsch, Georg Cohen, and Albert Eulenburg are some of the names Wiehe mentions.

Here are some of their depressing titles:

“Sittengeschichte des Lasters” (*The History of Perversions*);

“Sittengeschichte des Schamlosigkeit” (*The History of Shamelessness*); “Bilderlexikon der Erotic” (*Picture Lexicon of Eroticism*);

“Sittengeschichte des Geheime und Verbotene” (*The History of the Secret and the Forbidden*). And here are some of the titles published by Dr Magnus Hirschfeld’s Institute of Sexual Science in Berlin [9]:

*Aphrodisiacs, Prostitution, Sexual Catastrophes, Sexual Pathology, The Perverted*. Wiehe describes all these books as “the filthy publications of these pseudo-scientists”, all of them written by Jewish authors and published by Jewish publishers. He continues in the same acerbic vein:

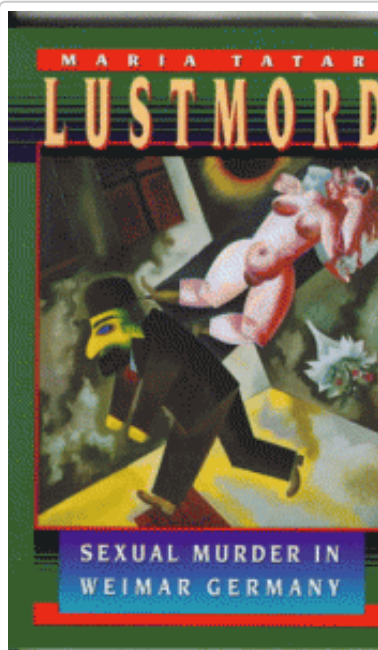

These books were allegedly supposed to be scientific treatises, their ostensible purpose being to “educate” the broad masses about the dangers of sexual excesses. Under the guise of science, however, they speculated in the lust and lower instincts of their audience. Criminals, prostitutes and homosexuals took center stage in their repertoire. One looks in vain for any known non-Jewish “sexual scientist”! [10]

Wiehe points out that masturbation, hitherto a hole-in-corner vice, began to be shamelessly promoted for the first time in Weimar Germany by Jewish-run organizations. He mentions Dr Max Hodan, Jewish medical officer for Berlin, and ticks him off for circulating a booklet recommending regular masturbation for the working classes.

It was in Weimar Germany, long before Hannibal Lecter, that the serial killer was to become an iconic figure — a source of secret fantasies and frissons.

It is worth noting that one of the world's worst serial killers, Peter Kürten, committed all his crimes in Germany during the 1925-1930 period.

This was of course the heyday of the Weimar Republic when the German people lay completely under Jewish domination and when the first dress rehearsal for the later Sexual Revolution of the 1960s was arguably being run.

Significantly, when asked what his primary motive for murder was, Kürten replied: “to strike back at an oppressive society.” [11]

This was a society in which the serial killer was to become a popular icon, enough to create a whole genre of sensational sex crime literature. (See book title on left). [12]

## 2. THE DESCENT INTO SEXUAL DEPRAVITY

British historian Sir Arthur Bryant describes throngs of **child prostitutes** outside the doors of the great Berlin hotels and restaurants. He adds: “Most of them—the night clubs and vice resorts—were owned and managed by Jews. And it was the Jews among the promoters of this trade who were remembered in after years.” [13]

Arriving in Berlin during the hyperinflation crisis (1923), Klaus Mann—son the great German novelist Thomas Mann—remembered walking past a group of dominatrices:

Some of them looked like fierce Amazons, strutting in high boots made of green, glossy leather. One of them brandished a supple cane and leered at me as I passed by. ‘Good evening, madam,’ I said. She whispered in my ear, ‘Want to be my slave? Costs only six billions and a cigarette.’ [14]

10-year-old children turned tricks in the railway stations. A group of 14-year-old Russian girls, refugees from the Red Terror in Stalin's Communist slaughter house, managed to make a lucrative living in Berlin as dominatrices. Little girls were freely available for sex not only in child brothels and pharmacies but could be ordered by telephone and delivered to clients by taxi, like takeaway meals. Particularly bizarre were mother-

and-daughter teams offering their services to the same client simultaneously. Mel Gordon writes: “One French journalist, Jean Galtier-Boissière, described, in sickly pornographic detail, the creeping horror of feeling a nine-year-old girl’s tiny, but proficient, fingers stroking his upper thigh while the broken-toothed mother covered his face with hot sucking kisses.” [15]

### In Mel Gordon’s **Voluptuous Panic: The Erotic World of Weimar Berlin**

([http://www.amazon.com/Voluptuous-Panic-Erotic-Weimar-](http://www.amazon.com/Voluptuous-Panic-Erotic-Weimar-Berlin/dp/092291558X)

[Berlin/dp/092291558X](http://www.amazon.com/Voluptuous-Panic-Erotic-Weimar-Berlin/dp/092291558X)), we enter a depressingly sordid milieu akin to the subterranean world of the sewer rat: a world which owed its existence in large part to German Jewry. Without Jewish money and influence, such a world would never have come into being. Nor was there anything the Germans could do to extricate themselves from this artificially created hothouse of erotomania and sexual deviance in which they now found themselves ensnared.

There were no fewer than **17 different prostitute types** in this Jew-created brothel city: eight outdoor types and nine indoor ones, each with their specialties and slang terminology.

**Outdoor prostitutes:** (1) *Kontroll Girls*: legal prostitutes checked for venereal disease. (2) *Half-Silks*: part-time amateurs with day jobs as office workers, secretaries and shopgirls; evening and weekend workers. (3) *Grasshoppers*: lowly streetwalkers who gave handjobs and standup sex in dark alleys. (4) *Nutties*: Boyish teenage girls who worked for “pocket money” after school without their parents’ knowledge. (5) *Boot-girls*: dominas (or dominatrices) in shiny patent leather boots who offered to stamp all over their clients. (6) *Tauntzien girls*: Chic mother-and-daughter teams, fashionably dressed, who offered their services to men

Georg Grosz, *Before Sunrise*. Prostitutes and their clients in the red-light district... this is how they actually dressed and paraded themselves in the garish, lamp-lit streets.

who wanted threesomes. (7) *Münzsis*: Heavily pregnant women who waited under lampposts (very expensive, since they offered an erotic speciality). (8) *Gravelstones*: hideous hags with missing limbs, hunchbacks, midgets, and women with various deformities. “The most common German word for them was *Kies*. In other accounts, they were referred to as *Steinhuren*.” [16]

(<https://www.darkmoon.me/uploads/Otto-Dix-Three-Wenches-1926-large-1342583057.jpg>)

Otto Dix, Three Wenches. These prostitutes were willing to work individually or in a team.

**Indoor prostitutes:** (1) *Chontes*: Low-grade Jewish prostitutes, mostly Polish, who picked up their clients in railway stations. (2) *Fohses* (French argot for “vaginas”): Elegant females who discreetly advertised in magazines and newspapers as private masseuses and manicurists. (3) *Demi-castors* (or “half-beavers”): Young women from good families who worked in high-class houses in the late afternoons and early evenings. (4) *Table-ladies*: Ravishingly beautiful escorts of exotic appearance who came with the reserved table in an exclusive nightclub. Clients had to be fabulously rich in order to afford the cultured conversation of these high-class call girls who accompanied the caviar and champagne and who later unveiled their charms in a sumptuously furnished chamber of delights. (5) *Dominas*: Leather-clad women, athletic and Amazonian, who specialized in whipping and erotic humiliation. They were often found in lesbian nightclubs which also catered for kinky males. (6) *Minettes* (French for “female cats”): Exclusive call girls who offered S&M fantasy scenes, foot worship, bondage, and enforced transvestism. They worked in top class hotels. (7)

*Race-horses*: Masochistic prostitutes who let themselves be whipped in “schoolrooms” or “dungeons” liberally supplied with instruments of torture. Clients were carefully screened to make sure they didn’t go too far. (8) *‘Medicine’*: Child prostitutes (age 12-16), so called because they were prescribed as “medicine” in pharmacies. All the client needed to do was tell the pharmacist how many years he had suffered from his ailment (e.g.,

12), without mentioning what ailment it was, and request the color of the pill he preferred (e.g., red). He was then escorted to a cubicle where his “medicine” awaited him: a 12-year-old redhead. (9) *Telephone-girls* (often billed as “virgins”): expensive child prostitutes (ages 12-17) ordered by telephone like a takeaway meal; the nymphettes were delivered by limousine or taxi. [17]

Luigi Barzini, in his social memoir *The Europeans*, describes the saturnalian scene in the Tingel-Tangels or sleazy bordellos of sex-crazed Berlin in the 1920s, the Golden Age of the Jews:

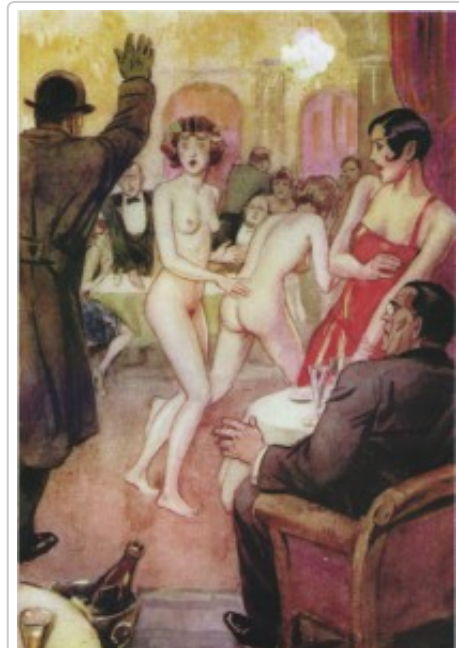

I saw pimps offering anything to anybody: little boys, little girls, robust young men, libidinous women, animals. The story went the rounds that a male goose whose neck you cut at just the right ecstatic moment would give you the most delicious frisson of all—as it allowed you to enjoy sodomy, bestiality, homosexuality, necrophilia and sadism at one stroke. Gastronomy too, as one could eat the goose afterwards. [18]

In October 1923, when one US dollar could buy 4.2 billion marks and six wheelbarrows of banknotes could barely buy a loaf of bread, it was said that “the most exquisite blow job to be had in Berlin never cost an American tourist more than 30 cents.” [19]

“Berlin nightlife, my word, the world hasn’t seen anything like it!” Klaus Mann, son of the great German author Thomas Mann, enthused sardonically. “We used to have a first-class army. Now we have first class perversions.” [20]

German author Erich Kästner, writing of Weimar Berlin, was to reflect on the topography of the soul sickness that had now taken possession of the once proud city: “In the east there is crime; in the center the con men hold sway; in the north resides misery, in the west lechery; and everywhere—the decline.” [21]

German Jewish author Stephan Zweig has much to say about **homosexuality**, pointing out that even in Ancient Rome—where fourteen of the first fifteen Roman

emperors were homosexual—the degree of drunken depravity and public shamelessness was far less shocking than in Weimar Berlin:

Bars, amusement parks, honky-tonks sprang up like mushrooms. Along the entire Kurfürstendamm powdered and rouged men sauntered and they were not all professionals; every high school boy wanted to earn some money and in the dimly lit bars one might see government officials and men of the world of finance tenderly courting drunken sailors without any shame. Even the Rome of Suetonius had never known such orgies as the pervert balls of Berlin, where hundreds of men costumed as women and hundreds of women as men danced under the benevolent eyes of the police. In the collapse of all values a kind of madness gained hold. Young girls bragged proudly of their perversion; to be sixteen and still under suspicion of virginity would have been a disgrace.” [22]

### 3. CONCLUSION: WEIMAR GERMANY AS A DRESS REHEARSAL FOR THE SUBSEQUENT SEXUAL REVOLUTION OF THE 1960s

My own impression, though I could well be mistaken here, is that Weimar Germany can be seen as a trial run or dress rehearsal for the Sexual Revolution of the 1960s, a revolution in attitudes and behavior that was to convulse America and then spread like a moral virus to Europe and the rest of the world.

Recollect that it was in Germany during the Weimar period—in 1923 to be exact—that the *Institut für Sozialforschung* was set up at the University of Frankfurt. Financed by the Argentinian Jew Felix Weil, this was later to become the infamous **Frankfurt School**. [23]

It is my own hypothesis that the Germans were to be the initial guinea pigs of these **Cultural Marxists** [24], all of them initially Jewish apart from Habermas. These were revolutionaries intent on complete social control by the imposition of their Marxist worldview on the rest of society. It is self-evident that there is no other way to get control of a society with strong moral values than to weaken those values. The formula is simple: destroy the belief system on which that society is founded, especially its religion and its traditional codes of honor and decency. Promote godlessness and a philosophy of despair. To put it in even plainer language: reduce men to beasts if you wish to control them.

It was George Lukács [25], one of the founding fathers of the Frankfurt School, who had called for “**a culture of pessimism and a world abandoned by God.**” [26] And it was one of their most fanatical ideologues, Willi Munzenberg [27], who had said he wanted to turn the world upside down and make life a hell on earth. His exact words:

**We must organize the intellectuals and use them TO MAKE WESTERN CIVILIZATION STINK! Only then, after they have CORRUPTED ALL ITS VALUES AND MADE LIFE IMPOSSIBLE, can we impose the dictatorship of the proletariat.** [28, emphasis added]

With Jewish intellectuals like this at the helm, doing their utmost to promote moral anarchy and create an Orwellian dystopia, is it any wonder that the Germans went helter-skelter down the slippery slope and ended up where they did?

In America the Cultural Marxists were to apply a variation of their Weimar techniques, but refined and honed to a high degree. This time, they would use multiculturalism as a weapon of mass destruction in addition to moral corruption. They would flood the country with immigrants, legal as well as illegal. They would turn race against race

(engineered ethnic conflict), parent against child (attack on authority), and man against woman (radical feminism). Above all, they would teach the non-White races to regard the White race as the ultimate evil: “the cancer of human history”, to quote Jewish feminist Susan Sontag. [29]

The above comments are admittedly controversial and will elicit anger in many quarters. For this I apologize. My purpose is simply to give voice to an urgent and widespread perception. Not to be able to say what many people increasingly believe is clearly undesirable.

What did the cultural Marxists learn from Weimar Germany?

They learned that the Sexual Revolution, in order to succeed, had to be a slow and gradual process. “Modern forms of subjection,” the Frankfurt School had learned, “are marked by mildness.” [30] Weimar had failed because the pace had been too frenetic. People were *aware* they were being corrupted. That was fatal.

**To corrupt a nation effectively one must make sure that the descent into degradation is an infinitely slow and imperceptible process, one miniscule step at a time—just as those who wish to cook frogs alive in a saucepan, reducing them to a state of comatose stupor, are advised to place them in cold water and boil them to death *as slowly as possible*. [31]**

Lest I be accused of antisemitism by this portrayal of the systematic sexual corruption of the German people at the hands of their Jewish masters—a classic instance of social engineering practiced on an entire population—let me allow a well-known and respected Jewish authority on the Weimar era to have the final word. He is Dr Manfred Reifer, and he is writing in a prestigious Jewish publication:

**Whilst large sections of the German nation were struggling for the preservation of their race, we Jews filled the streets of Germany with our vociferations. We supplied the press with articles on the subject of its Christmas and Easter and administered to its religious beliefs in the manner we considered suitable. We ridiculed the highest ideals of the German nation and profaned the matters which it holds sacred.” – Dr Manfred Reifer, in the German Jewish magazine *Czernowitzer Allgemeine Zeitung*, September 1933**

In the same month those words were written, September 1933, Adolf Hitler removed every single Jew from positions of influence in the mass media: from the fields of literature, art, music, journalism, the cinema, and popular entertainment in general [32]. The influence that the Jews had exerted on the German psyche was to be regarded henceforth, rightly

or wrongly, as pernicious. And *Kulturbolschewismus*, or “Bolshevik culture”, a derogatory term for Jewish culture itself, became synonymous with moral anarchy and sexual decadence.

As I have quoted this important work extensively both here and in my forthcoming 4-part essay *How the Jews Rose to World Power*, I felt it would be advisable to paraphrase/translate the defective Germanic English of the English version completely, quoting the original translation only when the English was free from grammatical and orthographical errors. The first advocate for homosexual and transgender rights and himself a homosexual, Hirschfeld figured out that there were 64 different types of male, ranging from the extremely masculine heterosexual male to the extremely feminine homosexual male. Whether there are also 64 different types of females, ranging from the extremely feminine heterosexual female to the extremely masculine butch lesbian, is not clear. Described as the “the Einstein of Sex”, Hirschfeld thought abortion was a good thing and approved of miscegenation and the mongrelization of the White race.

[8] Ivan Bloch ([http://en.wikipedia.org/wiki/Iwan\\_Bloch](http://en.wikipedia.org/wiki/Iwan_Bloch)) (1872-1922). Like Hirschfeld, Bloch was a Jewish homosexual whose main interest in life was sexual perversion. Author of the 3-volume *Handbuch der gesamten Sexualwissenschaft in Einzeldarstellungen* (“Handbook of Sexology in its Entirety Presented in Separate Studies”), Bloch was an expert on sadism and helped to popularize the work of the Marquis de Sade. He apparently discovered the manuscript of de Sade’s *The 120 Days of Sodom* ([http://en.wikipedia.org/wiki/120\\_Days\\_of\\_Sodom](http://en.wikipedia.org/wiki/120_Days_of_Sodom)) and published it under a pseudonym in 1904, presumably pocketing the royalties.

Founded in 1919 in Berlin, the Institute was housed in a villa purchased by Hirschfeld not far from the Reichstag building. It housed his immense library of sex books, most of them pornographic, and offered the public advice on their sex problems (“medical consultations”). People from around Europe visited the Institute, including the homosexual duo Auden and Isherwood, “to gain a clearer understanding of their sexuality.” (Wikipedia). The Institute, which encouraged “educational” visits from school children, included a Museum of Sex full of pornographic pictures, dildos, “masturbation machines”, and other curiosities of a similar nature. In May 1933, after the Nazis had come to power, the Institute was attacked and thousands of its pornographic books and erotic artifacts destroyed in a “bonfire of the vanities” – this event later being portrayed by Jewish

interests as a tragic loss to civilization, comparable only to the burning of the Great Library at Alexandria in 645 AD.

[19] Stephen Lemons, *Ibid.* (<http://www.salon.com/2000/11/22/weimar/>) If 30 cents for a blowjob was considered a bargain for the American tourist in Weimar Germany, it is of interest to note that the blowjob rate for sex tourists in Moldova today is considerably lower—only 20 cents a pop. We learn this from a book originally published in Hebrew in Israel (*In Foreign Parts: Trafficking in Women in Israel*, by Ilana Hammerman. Am Oved. 199pp). “The local rate for sex services at the Chisinau train station,” we are told, “is about NIS 0.70 for a blowjob.” (Quoted in “Land of Filth and Honey (<http://www.highbeam.com/doc/1P1-102458003.html>)”, by Eli Shai, *Jerusalem Post*, November 5, 2004). 0.70 New Israeli shekels works out to 20 cents. Moldova, the poorest country in Europe, where the average income is US \$300 per month and 20 percent of the population live in abject poverty on \$3 per day, is a favorite destination for European and Israeli sex tourists, especially for pedophiles. Chisinau is the capital of Moldova, and it is at its railway station that gaunt, hollow-eyed children—some of them as young as 7—line up to offer their services to the incoming sex tourists. this is from one of the people in a political exchange group. your article on sexual decadence in weimar germany is being circulated all around America by conservative organizations. millions of people are reading it. it has much relevance to our discussions. this is all about the decay of values and the impact of that on our lives. the parallels between 1933 and now are astonishing.

Many parallels between Weimar Germany and the USA of today. And it appears both had the same goal; the destruction of a society thru degradation.

Written in an intelligent manner, but there was so much sexual filth in the story, I couldn't read it all.

*Written in an intelligent manner, but there was so much sexual filth in the story, I couldn't read it all.*

Nor could I. The article is disgusting. Totally disgusting. Particularly endnote 19 for which there was *absolutely no need*.

What is this woman doing telling us all about the different rates for blowjobs in different countries? Is she crazy? Why do we have to be told all these salacious details.

Darkmoon is a corrupting force. She is a force for evil. *Sex, sex, sex!* That's all she has to offer. She drags us through the sewers of her perverted mind, nudging us in the direction of Sheol and the forces of darkness.

When I read endnote 19 I wanted to puke.

Agree with many parallels between Weimar Germany and the USA of today.

After Weimar Germany there was the renewal by the NSDAP & Hitler plus the so called holocaust. Many jews survived the “holocaust” The Germans after all had a sense of morality even if some might doubt it.(compare German History to America History). So now not if but when there will be a repeat of history, what’s going to happen to all the jews & perverts in America when they will have their NSDAP & Hitler.

Considering America history, I think that the WWII holocaust will be regarded as a picnic only!

Dear Dr. Lasha,

Here's something I wanted to bring to your attention, if you didn't already know, the Jewish NWO is now taking the sexual decadence of Weimar Germany to a whole new level — by going for the whole kit and caboodle — a WHOLLY, TOTALLY DEMONIC POSSESSED WORLD!

You can see this connection with a couple of articles on Henry Makow's website:

<http://henrymakow.com/2013/10/Bestiality-and-Pedophilia-are-Next%20.html>

(<http://henrymakow.com/2013/10/Bestiality-and-Pedophilia-are-Next%20.html>)

[http://www.henrymakow.com/homosexuality\\_from\\_an\\_occult\\_a.html](http://www.henrymakow.com/homosexuality_from_an_occult_a.html)

([http://www.henrymakow.com/homosexuality\\_from\\_an\\_occult\\_a.html](http://www.henrymakow.com/homosexuality_from_an_occult_a.html))

And, by the way, Henry Makow is a Jew.

My thesis is that the semitic Jews — of the Ten Commandments and Torah — the One universal God of us all — Jews — have been commandeered or overshadowed by a strain of non-human soulless entities that are truly of the devil.

As they use their life essence to degrade, and reverse the natural order of everything, and are themselves degraded, they appear NOT to be redeemable also.

I think this is an entirely different strain to normal Jews.

Are these degraded creatures the proverbial “Cane” in the parable of Cane and Abel in the Bible?

Cane is the one who killed his brother and caused the Earth to be cursed by God (as I recall).

This could be the way to interpret, understand and differentiate this dangerous and diabolical Evil that is now walking among us energetically on this Earth.

Henry has tremendous articles on human morality and staying morally strong not only fights the control matrix, but also is impenetrable / immune to demonic possession — as does come with perversions.

I am copying this to Henry for his thoughts / input if he would like.

Best regards,

Amber

Lasha,

A well researched and written article. Thankyou. As Germany was the testbed but sexual depravity, Russia was for socialism, to be unleashed on the west. Interesting how both happened after WW2, a war needed in order to allow both to happen.

*“The Jewish sexologists Ivan Bloch and Magnus Hirschfeld became the representatives of “sex research” camouflaged as science—a bogus science that was merely an excuse for pornography and propaganda designed to destroy the institute of marriage and the sanctity of the family.”*

As soon as I read the above I automatically thought of Dr Alfred Kinsey, the sexually depraved, degenerate paedophile, given funding and the go ahead from the US administration, to bring

to the American (and western) people his world of decadence and immoral behaviour. We have to thank Dr Judith Reisman in her sterling work of exposing this sick, twisted pervert to the masses.

Interestingly enough, they even made a film celebrating this man's life.

Kinsey (<http://m.imdb.com/title/tt0362269>)

And as usual, Jewry's golden boy, Jewry's Hollywood whore plays the part. None other than Liam Neeson.

@ Harbinger

*"A well researched and written article. Thankyou. As Germany was the testbed but sexual depravity, Russia was for socialism, to be unleashed on the west. Interesting how **both happened after WW2**, a war needed in order to allow both to happen."*

I agree with everything you say in this perceptive comment, but you made one mistake. Probably a typo.

The Bolshevik Revolution. which ushered in Communism in Russia, occurred in 1917 and continued for several decades. This was after WW1, not WW2. Similarly, the period of Weimar sexual degradation occurred between 1919 and 1933 — well before WW2, not after it.

Hi Sardonicus,

I should have explained myself better. When I wrote:

*“Interesting how both happened after WW2, a war needed in order to allow both to happen.”*

What I meant with the above was; both [sexual depravity/freedom and socialism/communism] were unleashed upon the western peoples, after WWII. WWII was the catalyst that allowed this to happen.

Just as 9/11 was the event that would take the western forces into a long dragged out war against Islam, but more importantly bring about huge changes to the freedoms of the western peoples courtesy of continuing enforced liberty destroying legislation upon them, so to was WWII prior in bringing about massive changes, resulting in the complete demolition of their cultures, traditions and normality.

Hi lobro,

Is Michael York Jewish? I've looked and looked to find proof but can't find any. He either isn't or keeps his identity completely hidden. Normally wikipedia likes to tell the world everyone who's Jewish, especially in the arts, but I found nothing on him. His father seems to be Welsh, Johnson, deriving from Scottish and his mother, Chown, deriving from old English.

I don't like to question you as you're mostly always correct, but I believe/thought that York is/was a true Englishman. Then again, considering that the arts world is made up of homosexuals and Jews, then I wouldn't be surprised really.

i did not say: “michael york is jewish”.

i said that he is a jew’s whore, a shabbos goy, all too happy to wear blackface for his day-old matzos.

jews love him, even after he was well past his expiry date, they used him in tv sitcoms like “curb your enthusiasm” or in james bond cameo roles.

he is a prostitute, plain and simple.

This article is an eyeopener. Though it tells us nothing new about the sexual milieu of the Weimar Republic, it draws interesting parallels between what the Jews were up to in Germany before WW2 and what they have been up to since in North America and Europe. You can give it a special name: *Operation Depravity*.

Nietzsche said it well in his *Antichrist*:

“The Jews are the most remarkable nation of world history because, faced with the question of being or not being, they preferred ... *being at any price*: the price they had to pay was the radical falsification of all nature, all naturalness, all reality, the entire inner world as well as the outer. ...

Considered psychologically, the Jewish nation is a nation of the toughest vital energy which ... took the side of all **décadence instincts**—not as being dominated by them but because it

divined in them a power by means of which one can prevail against 'the world.'

**The Jews are the counterparts of décadents: they have been compelled to act as décadents to the point of illusion.... This kind of man has a life-interest in making mankind sick, and in inverting the concepts of 'good' and 'evil' . . ."**

Dr David Green,

Interesting article over at the Occidental on Nietzsche. I find the following analysis of Nietzsche by the author, Thomas Dalton, particularly interesting:

*"Meanwhile," Nietzsche continues, "they want and wish rather...to be absorbed and assimilated by Europe...; and this bent and impulse... should be noted well and accommodated: to that end it might be useful and fair to expel the anti-Semitic screamers from the country." Again, he sees the Jews as useful examples of racial toughness and coherence. And more importantly, they hold an important lesson in the creation of new value systems as a means of overcoming adversity, and exerting power. The typical German anti-Semite does not understand this; he just hates all Jews and wants to get rid of them. For Nietzsche, they are detestable but also useful and instructive. A truly strong German nation could easily accommodate a percent or two of Jews."*

My only reasoning to agree with Nietzsche is that in having Jews as part of society, their behaviour is testament as to how we shouldn't behave. The immoral behaviour of Jews therefore stands as a test to our resolve, willpower and discipline. Only the strongest within society will repel the enticing materialist and superficial extravagances that Jewry tempts the goy into complete servitude.

good dr: you have a knack for kickstarting my thought train in motion, not always an easy task.

the common perception and the one i shared until now is that the reason for the jews' insensate hatred for christ was that he called spade a spade, ie, jews the evil hellspawn, the idolaters in the synagogue of satan.

i no longer believe that this is the case, because they are quite consciously so and striving for ever greater perfection in the blackness ... like calling a hyena bloodthirsty, water off the duck's back.

no, what gets them is His injunction to ethics (christian ethics/logos = opposite of political correctness).

this is a far greater and direct challenge to their master, the **antichrist**, as even nietsche who was no friend of christianity notes.

in that, the christ undoes centuries of all the careful and focused effort by the corrupters and is therefore talmudically banished to an everlasting vat of boiling excrement as punishment for obstructing the work of rabbis.

this was also observed by others, such as dostoevsky and it is what spurred isabella and ferdinand into expelling the depraved garbage from spain, as can be seen in their decree.

but the rust never sleeps nor does the jew's corrosion.  
he fights the rearguard action even in these threads.

@ Harbinger

@ lobro

You both make good many points. Nietzsche remains an enigma for me. I used to admire him much in my youth but I have grown wary of him. His negative attitude to Christ (in ‘Antichrist’) and his slogan ‘God is dead’ was a gift to the Jews. He became an inspiration to the Frankfurt School. These atheists or Jewish Cultural Marxists were naturally delighted that someone so distinguished should proclaim the death of God.

I have a suspicion that Nietzsche, like most Germans of his era, had an anti-Semitic streak to start with. His philosophy of the Superman appealed to the Nazis. He was a great buddy of Wagner's, a self-proclaimed anti-Semite.

But then, at some stage, Nietzsche must have “turned”. He suddenly broke with Wagner over Wagner's anti-Semitism. And he began to make distinctly philosemitic statements. Such as:

**“Every nation, every man has disagreeable, even dangerous characteristics; it is cruel to demand that the Jew should be an exception.” — Nietzsche, *Human, All Too Human*, section 475**

Translation: Don't knock the Jews. We're all equally bad.

\* \* \*

My own theory — it's only a working hypothesis — is that Nietzsche's sudden change of heart came about from falling madly in love with a crypto-Jewess who twisted him round her finger and completely bewitched him: Lou Andre-Salomé. She was suspected of being a Finnish Jewess by the Nazis. After her death, the Nazis confiscated all her books. She had collaborated closely with Freud to found psychoanalysis, a distinctly Jewish operation smacking of fraudulence. And like so many Jewesses, she was an ardent feminist and had much to say about eroticism and the female.

It was with this enchantress that Nietzsche fell blindly and besottedly in love, begging her to marry him several times after he had already made many scathing comments about marriage. She spurned his proposals and married another man. Nietzsche never got over this rejection.

There's no proof this *femme fatale* was Jewish. But her close collaboration with Freud and the fact that the Nazis confiscated her books and thought she was a Finnish Jewess must be taken into account. She has all the hallmarks of a crypto.

It's amazing how men change when 'chasing tail', hence why I remain single. However to come to Neitzsche's defence, I think that he saw how easily corruptible western man had become as have I. Therefore which is worse; the behaviour of Jews or the goys acceptance of it? I think I'm more inclined to believe the latter.

Yes Bob,

Jewry merely exploits the weakness prevalent within the caucasian. Remove that weakness and you no longer have anything that can be exploited and therefore an end to the Jew 'problem'.

Will the goyim awaken?

Will they read the writing on the wall and smell the coffee?

I highly doubt it, well, not until their civilisation is in ruins and they're clawing at the dirt for a living, lowered to nothing but total degenerates that Jewry sees them as. And even then, what will they have? They had a once blossoming civilisation,

morals, ethics, values, honour, respect, strong family.....  
What have they now and worse, what will they have in the very near future?

Jews are no doubt a problem and always have been, but you amply describe the gullibility and greed as two of the major weakness of the non Jew.

Great article – as it PROVES with LEGION examples the was that these lying sex crazed pedophilic filthy Christ murdering creatures we know as the JEWS had turned a Christian nation of decent honorable hard working industrious humanbeings into a morally rotted corpse.

What these putrid parasitic godless scum did to Germany AND ALL nations theu infected – was exactly what we see here in Merka today. The only REAL difference is that at the time Germany was impoverished and trying desparately to recover from the harshest Draconian measures imposed by the victors of a war Germany never wanted in the first place.

We didn't have that excuse. We were at the zenith of our exconomic growth and allowed these filthy animals to destroy everything we once valued and treasured -freedom family country honor wisdom goodness – ALL sold for thirty pieces of jew silver. NONE of our OWN country men stood uo to these putrid filthy rancid demonic godless scum and their god – Satan. We LOVED being reduced to lascivious animal filth because we had been dumbed down to the level of imbeciles and retards.

At least in Germany there was one man who cared enough for his people and his nation to put an end to the rot treason and unflused jew toiled that Germany had become.

I have a flawless military and civic record worked wih FBI and CIA – have traveled world wide as a historian and a foreign diplomat and havd concluded that WITHOUT ANY DOUBT WHAT SOEVER – we fought the WRONG people!

I have done papers on the Weimar Republic era in regard to whst these fithy jews did the German people. Here is one ( an interview with Brother NAthanael) that Lasha knows well. Essentially I came to the same conclusions

(1) jews RUIN everything good and decent and clean and wholesome they touch

(2) these SAME EXACT Satanic jew scum have now totally trashed America – only we could care less and our TREASONOUS jew lackey Government is insuring we are totally destroyed – morally and economicly – as another trophy for our jew masters.

Unlike the Germans who FOUGHT BACK – we have become a CRIMINALLY IGNORANT land of retards cowards and Godless Christ mockers.

Joe,

I've read a few of your articles and very much intrigued by what you have seen in your lifetime. I also have to say I haven't seen the horrors of war first hand as you have and glad not to, especially Palestine.

However, as well travelled and read as you are I disagree in your blaming the Jews for the west's demise. I find the goy's susceptibility to Jewish manipulation, machination and malfeasance far worse.

One thing we all have in life is choice, some with far, far worse negative outcomes than others. It is up to the individual to say no and not follow. It's why I've been looking into the 'freeman on the land' movement here in the UK as it shows the huge differences between common and civil law. What I've realised is that it is civil law that Judaism uses to control us. However, what people do not realise is civil law only has the power of law to those who consent to be governed by it. It of course created the language of legalese with which to deceive us with for it is all about 'contracting' with the human being through the use of the 'person' – a legal fiction, a corporate sole – in other words your birth certificate.

It is the wilfully ignorant goyim, the massive majority, who have allowed the intelligent Jews, the hidden minority, their western hegemony. It is the non Jews I see as being far more to blame for allowing Jewry the freedom to corrupt and destroy. Thus, apathy has allowed the obliteration of age old culture and tradition swapping it for globalist nothingness, which is not just putting chains on our hands and feet but our minds, mouths, ears, past, present and future.

Brilliant comment, Joe! Your sincerity and righteous indignation are only too apparent to me. You are a genuine patriot. You obviously love America deeply. And you are mad angry at what these vicious bastards have done to America, a once proud country.

However, I fear it's not just the Jews. The collaborators with the Jews are equally to blame. They're just as bad.

I make no distinction between the Abe Foxmans and Alan Dershowitzs on the one hand and the Alfred Kinseys and Joe Bidens on the other. This is not a genetic thing for me. Evil is evil and it runs through the soul of Jew and gentile alike.

As Lasha herself said somewhere, "Ivan the Terrible was not a Jew. Genghiz Khan was not a Jew. Nero and Caligula were not Jews."

Evil is not a Jewish monopoly. The goyim own huge chunks of the same terrain.

But Jews are pushing for world hegemony in this present era, and their criminal terrorist cult is unique in it's insane and Godless malevolence, in that it uniquely intends to genocide every single member of all other races right off the face of this entire planet, and it seems, many other species along with them, in another Bolshevik-type orgy, but this time of unlimited insane violence, as there is no distinction in Jewish understanding between animals and Gentiles, Gentile souls being considered pig souls in their demonic pseudo-spiritual scriptures from hell.

This Jewish malevolence is worse than any other seen in the entire history of the planet, because Jews consider Gentile souls to be eternally irredeemable, non-living, Satanic souls from the three hellish lower spheres of creation, the substance of Gentile souls being considered literally in their 'scriptures' to be actually a form of Satanic excrement left over after the creation process.

The souls of Gentiles are seen by Jews as the very substance of pure sin and evil itself, and every Gentile is considered eternally guilty of every type of sin even before entering the womb, and automatically dangerous and polluting to every Jew because of this.

In comparison, a Jew, whose soul is seen by Jews as a member of God, non-different in quality to that of God, has as it's polar opposite the Gentile soul, a form of anti-living matter, a member of Satan, the same quality as Satan, the dark and negative side of creation as non-different in quality to Satan.

The Jewish understanding is that no sin exists in the Jewish soul, it being like that of God, eternally pure, but when a Gentile soul comes near a Jew, the eternal sins of the Gentile of Satanic origin can pollute the soul of the innocent Jew and make the Jew appear to sin, when in fact it is the Gentile who

has sinned, hence the whole Jewish mania for passing off sins onto other people, or animals, in the atonement, like kapparot killing of chickens after they have been forced to absorb all the negative energy that is polluting the Jew back into the dark side of the Gentiles, like unwitting spiritual bath sponges, like the poor innocent Gadarine swine, that perhaps being a parable type name for Gentiles as they are called pig souls too of course, and indeed, that is why Jews have really been repeatedly thrown out of many countries, for persisting, as they still do today, in performing kapparot even on abducted Gentile human children, that being much more effective than using mere chickens.

The Jews really are very dirty bastards to wipe their arses on other souls like that, using such an horrific black magic process to avoid all the laws of karma, which they are successfully doing, with the only price being that they must then continue to reside within the material creation, purely because of the fact that they are quite unfit to live amongst spiritually cultured souls in heaven who have Godly regard for the potential of all other souls throughout the cosmos. The Jews invent their little reasons for doing so, when none of their pseudo-spiritual philosophy and belief is actually valid at all, no souls having ever originated from any ‘Satan’ in fact, all souls without exception being subjective expansions of the real God, who is actually nameless, but is termed nonetheless according to his many qualities, those qualities assuming the function of names, such as Krishna, Sanskrit for ‘the all-attractive’, that being a unique quality possessed by no other soul due to the unequalled cosmic size and beauty of that soul.

So, in the twisted mind of the Jew, only when all the plague-carrying Gentiles are exterminated from the planet, can the Jews once again enjoy their eternal sin-free God-like state in total purity.

That twisted and hateful insanity makes the evil of the Jews the very worst of all in the entire history of this planet.

I began my research into what really happened in the world around about the year 1996. I figured, if I am going to have an understanding of why things are the way they are today, I should know what happened before. Hence I read and read and read; going all the way back to the Hittites and working up through all the various peoples of the world; their esoteric histories, and so forth. Volumes and volumes of material. About a year ago, I finally read Adolf Hitler's book, Mein Kampf. When I had finished the book it was an amazing realization that I had come to the exact same conclusions that he had about the Jews. They really are the children of Satan. The goal is to become like The Father. His Will being; Be You Perfect Even As I AM Perfect.

That is an eternal adventure; to become as The Father. God Consciousness is the ultimate goal; which makes us one with the Father but not God. We come to the full realization of the I AM THAT I AM, however we can never be The Primary Mover; since God has no beginning and has no end; He is the Eternal Father; the Center of All Reality. We all have a beginning; we just don't know what is the end because we're not there yet; and

since we live in an eternal universe, we'll never get there; the adventure is forever; if you want to go there. Jesus showed you the way. I look forward every day and pray I will look forward for ever and ever because it is all so interesting.

Interesting article by Darkmoon and a large topic—too large for me actually. Given that I just returned from a trip to Germany and that I lived through the Frankfurt School programming during the so called “Sixties” I’ll look at the small piece that has to do with what made Germany of the 20s and the U.S. in the 50s so vulnerable? Why did German society that produced a culture that was one of the most outstanding cultural achievements of humanity fall for such low brow garbage and degradation—and the U.S. in the 50s was at the peak of its economic power fell for it as well? It was almost like an epidemic had swept through a disease free population.

Germany has big cities but it also seems to be filled with tiny little villages that even have different dialects. America of the 50s also was more of a small town country. And there was this impulse to shed the taint of provincialism and in fact the first attack of the Frankfurt School was on the provincial nature of

American society. No one wants to be “backwards” even if in reality that backwardness is a more highly evolved culture than the so called advanced urban society. I think of words like “hick” used against anyone who didn’t have the urban cosmopolitan airs...so lose your innocence, lose your virginity, lose your soul just to not look like you’re fresh from the country.

The Frankfurt School offered a fake culture to replace real culture just like identity politics is a fake form of genuine roots to place to people to real patriotism. The pre and post war II U.S. was a very naive country. I think how all those young men raced off to fight World War II and never once considered that it wasn’t the highest of honors. Now we know that Pearl Harbor bordered on a false flag event to manipulate people into the war—not as big a lie as 9 11 but a lie. If someone is raised to never tell a lie, if lying is punished, and liars are teased “liar, liar pants on fire...” then that person doesn’t expect lies. They’re gullible. I was so... gullible at one time.

I didn’t get the sense, though, that Germany is still naive and I think Americans are losing some of theirs as well...so we have developed some immunity to the disease. However, like most epidemics they become endemic eventually. For example, drugs—at first everyone did it and then eventually there were just the addicts. At first all of us thought it was a pathway to transformation and then after a lot of heartache, and wrecked lives we realized it was a ticket to homelessness and despair. Some of us who survived the programming of the Frankfurt School long for those small town ways of our childhood. We realize what we rejected in order to lose our provincialism was the best part of who we were, and the people we turned our backs on were the good people. The people we chose to replace them were the bad people that had character flaws we never knew even existed. Now we journey back over those lost landscapes in our minds.

As an afterthought I want to note that Eastern European Jews came out of small towns, “shtetls.” Maybe that is where Jewish intellectuals learned to despise provincialism. I’m not so sure about the German Jews from Frankfurt, but at least the majority of American Jews have some sort of roots in the shtetl and it is idealized as a folk culture. I have heard, though, that these small villages were ruled by tyrannical rabbis and people fled the shtetl and Judaism to live a better life in Jewish neighborhoods in gentile towns. So this is the pattern of conquest that is also at the same time escape. Escape the shtetl to the gentile town where the goal is to take it over but then it becomes too Jewish and so escape that for some other place. It’s still going on. I hear from people here in Los Angeles that once Beverly Hills was WASPY but then the Jews moved in and the WASPS moved to Pasadena but now the Jews want to move to Pasadena. And the problem

with the degenerate values of the Frankfurt School is that they have spread throughout the Jewish community as well which suffers from the same social malaise. In particular Jews have not escaped having vaccine injured children (corporate greed of big pharm who push too many vaccines) , and in a minority community that has already been through the depopulation crisis led by the Frankfurt School I don't see how there is going to be a Jewish elite to take over what is left of American society. So, it's hard to understand the conquest of high society by low society, but it's equally hard to understand "why." I have a theory that it has to do with the pain of living as a minority group in what was such high culture, to live in the shadows of greatness as a non-participant. I'm thinking of the culture of the Renaissance where one sees these magnificent churches, buildings, squares, art works and then down a dark alley is the Jewish section. There is a lot of revenge in these corrupting cultural movements—hatred, and vengefulness at the core. And at the same time what was left of the shtetl world is really gone with the War, and that is the Holocaust because if only one thing is true about the Holocaust it is that it destroyed the Jewish world of the shtetl. That in my opinion is what the memorials and the continuous mourning is all about—that is, their small towns.

Regarding the incidence of vaccine-damaged children, statistics that were published some time ago on the Jeff Rense site showed that of all the countries in the world, Israel has one of the very lowest incidences of vaccine-damaged children, very few at all indeed. Obviously, in other countries, where some of

the doctors are Gentiles giving out vaccines that are intended to harm those who receive them, some Jews foolish enough to forget what is going on, who use Gentile doctors will inevitably get caught in the fire, but once they get to Israel it is different, and many of those children in Israel will have been damaged before emigrating to Israel. Weaponized vaccines purposely made with extremely high amounts of mercury in are available to Jewish doctors to attack Gentiles with.

After Jews were thrown out of other countries, they were told by their rabbis to pretend to be Christians and to go back in those countries, and become doctors and lawyers, and to actually work to shorten the lives of the Gentiles and to ruin their countries by legal means, hence the huge numbers of the murdering bastards in the medical and legal and political professions, to destroy every country that they control, and to be a politician, a lawyer or a doctor is to be like God for them, to have the power to execute anyone by various means, and Jewish doctors abuse their position in exactly that manner, quite literally as Bolshevik executioners, just like in the red revolution, with their chemo and radio ‘therapies’, all the time hiding from public exposure due to the Jewish-controlled media and politicians and police and legal profession, and an absolute mafia of Jewish doctors running every hospital to make sure that it carries on, and I have had personal experience on several occasions of Jewish doctors either withholding potentially life-saving treatment from me in the hope that I would die, deliberately exacerbating my condition when I was already near death, and deliberately and knowingly administering highly toxic medicine to me yet again, that they already knew from a previous nearly fatal reaction to it, with a death rate of 50% in all affected by it, obviously hoping that 50%

+ 50% equals 100%. But I still survived against the odds, despite suffering horrific internal bleeding and massive and nearly fatal organ damage a second time.

I could go on and on about more personal experiences at the hands of murderous Jewish doctors, but this I do know, Jewish doctors do not attack their own kind, but abuse their position to selectively harm and assassinate Gentiles whenever they feel they can get away with it, which is extremely often. Killing for them is a buzz, a service to the Jewish God, oh, and the greatest pleasure for them is often a very slow kill, so that the soul imprisoned inside the body can really suffer and become very degraded by knowing only intense suffering as life itself. That is sweet victory for the Jews. I change my doctors frequently, but time and time again, some Jewish doctor still manages to do something very nasty to me, in a quite deliberately sadistic manner, as one just cannot avoid them as they completely saturate the medical profession.

this has the stink of odigo all over and if true is an even more massive jew crime than 911.

it seems that jews fall victim to vaccine induced disabilities as frequently as they died in twin towers – in other words, an urban legend.

There was no problem in ancient Nordic Cultures with this sort of perversion. Family units were tight and relatives of women and young girls were protective of their clans. So many people relate family values with christianity but this was never the case. As Jesus said If any one comes to me and does not hate his own father and mother and wife and children and brothers and sisters, and the onslaught of this jewish religion broke many family units apart. It evolved into even totally converted families would differ in the type of christianity leading to separated family units.

When families are united as in a clan they would never let anyone outside the family molest or degrade one of their clan. What were the brothers and parents of these women who were being exploited? We need to have coalitions and groups who seek out the perpetrators and do something.

I used to have a website where I documented many cases of child molestation, murders and kidnapping by CPS in Hawaii. It is a big problem here and the schools, government officials, police and agencies are all in on it. They send girls to planned parenthood clinics to be given condoms, and birth control and along with that they prescribe SSRI drugs.

But despite my efforts I could never organize an coalition and too many people are scared to but the system. Then there those who believe in resist not evil which is another cop out that they got from their jewish faith.

Here are several aspects of the parallels of Weimar rep. and America, I'm much obliged for all your investigations, each very valuable, stuff for books. The description of the time of the republic of Weimar in the article by Lasha D. may be characteristic for Berlin and other big cities, but perhaps the Germans elsewhere didn't know very much about it., because the media were not there to spread moral decadence: more was felt misery, economic and in the honor of the people, who had fought and starved for our country.

But the parallel is here to the after-1960s and America.

National socialism came from the socialism in war (WW-1) and the experience of community of a people.

If knud-ericson is still not in the net (the Wiehe-book in engl) it's here in these links:

[http://web.archive.org/web/20090928014828/http://knud.eriksen.adr.dk/the\\_jewish\\_role\\_behind\\_communism\\_nazism\\_NWO.htm](http://web.archive.org/web/20090928014828/http://knud.eriksen.adr.dk/the_jewish_role_behind_communism_nazism_NWO.htm)

(the title is misleading: almost no "jewish role in nazism") After the war the known Carl Schmitt, professor for state-law in the NS, said he advocateted an authoritarian Catholizism, and we see why. As lobro said, the Christian morale is the defense afainst evil, corruption and against sinking into the morass of multi-non-culture. We can also remeber the cantatas by J.S.Bach and his words in drastic baroque language, if they are translated, to understand christian views of the world. After long times, I've also come to believe that this is higher value.

The Jews claim, they were more progressive (and cosmopolitan,

that is uprooted) than the backward and traditional Germans, and therefore had this success. The Weimar-times was also the threat of the bolshevic revolution and slaughter

[http://web.archive.org/web/20091008095508/http://knud.eriksen.adr.dk/communism\\_was\\_jewish.htm](http://web.archive.org/web/20091008095508/http://knud.eriksen.adr.dk/communism_was_jewish.htm)

quote: “The western Jews who, by using fantasy and a maximum of twisting of truth, claimed to have once lived in Palestine, were slowly becoming assimilated, after having been thrown out of Spain, and almost “disappeared” as an entity. In their stead appeared the Eastern Jews, an Asian people, which had never had the slightest connection with Palestine.

And, suddenly, also the the world headquarters of the Jews disappeared. According to Dr. Kastein it “ceased to exist”.

World Government without Address

There was, however, not much indication that this was so. But it became secret after 1772, when Poland was divided....” end of quote–

For their social programming the Jews if they are directing it, as e.g. the Frankfurt School, often promote gojim, like Kinsey and others. Even Baghwan (Osho, Rashneesh) played a role in sexual desorientation and he had jewish psychologists employed. But the TV-channels for the Youth show directly the primitive proletarian future, as engineered in EUdSSR.

to some extent goys can be blamed for weakness and gullibility but you might as well blame a child for allowing itself to be prostituted by the same jew seducer.  
are they equally to blame? c'mon ...

it is **jews** who have spent countless generations developing roadmaps to our hell, plotting strategy, game-theoretic scenarios, in their shuls and yeshivas which they later on exported out to university faculties, which in “humanities” (i'll bet “humanities” is their term, a linguistic slight against theology and church discipline) and social sciences departments amount to simply that: shuls and yeshivas.

frankfurt school is just one such product endowed for exactly the purpose of subverting the goy and his society in which teams of psychotic academics did nothing but lay snares and dug pit traps for the unsuspecting goy throughout their “careers”.

that is the naked face of evil, to be eradicated first and foremost.

other jews may appear higher on the radar screen owing to their sheer vulgarity, the likes of larry silverman and netanyahu but they are just foot soldiers carrying out those long incubating ideas and plans.

and shabbos, the wannabe jews like biden hardly merit a mention in the same breath, all they need is a squirt of raid pesticide.

something else, while on the subject of jew-caused depravity (but we are always on the subject of jew-caused depravity, aren't we). today's overwhelming, sickening preoccupation with sex and perversion, where a man is not a man unless performing sex or thinking about it 24/7, a woman is not a woman unless she is a slutty skank is but one aspect of the broad line of attack according to which every sin must be amplified to a neverending act of gluttony.

take food, look at americans around you, eating, eating, eating, in cars, elevators, in front of tv, obesity has lost its shame and is on the way to become cool.

why do all these subhumans wear pants down to their knees, what is the visual message?

they are ugly fat severely retarded skinheads, pants full of shit, that's the message and you better do likewise if you wanna be cool.

moderation and self-control are not cool.

there is no difference between how jews are projecting and shaping our understanding of sex, food and other materialistic pursuits.

too much is never too much.

the only thing that is *instantly* too much is independent thinking. then it is hate speech, racism, terrorism and you require sensitivity training, anger management courses at the approved facility that you exit with rivets poking out of your head, if at all.

lobro,

*“to some extent goys can be blamed for weakness and gullibility but you might as well blame a child for allowing itself to be prostituted by the same jew seducer.  
are they equally to blame? c’mon ...”*

It’s not often I disagree with you but on this occasion I have no choice.

I know full well that in disagreeing, others will look upon me as a *jew lover* or whatever other derogatory definition for not putting the blame on Jews instead of goyim, but I can’t see things as clearly as you do simply because of choice and it is choice that has ultimately resulted in the complete demolition of society.

The Frankfurt school came into the USA, fleeing Germany in 1933 and they were allowed in, given prominent positions with which to promote their demolition of western of culture and by whom? And what of the complaints by parents who sent their children to these universities, drastically changed courtesy of the propaganda being perpetrated upon them? How many Jews, worked in academia then, compared to now?

You complain of the obesity of America and the modern fashion trends of wearing pants around people’s behinds, yet, who chooses to shovel the food down their throats, caked in corn syrup and other unnatural products, giving them untold diseases and an early death? Who chooses to wear their clothes in the fashion of the day? What was it that drastically changed their choice, from wearing what their parents did generation after generation?

The bottom line lobro is choice and the goyim have chosen to accept the material world over the spiritual. The now and then is far more important than the thereafter and therefore they will ultimately become absorbed in a world of usury and debt. It is their choice to follow and no one elses. They can rebel should

they choose to, but why? Life's too good for them. They have their fast food, their technological gadgetry, their convenience stores and their holes in the wall. They live in a fast society they've allowed to not just be created, but build, staff and defend.

It is the inherent weakness in the goyim that then Jews promote. As I said above, the Jews will do what they do and it is up to the goyim to see this and defend against it.

It is convenient to lay the blame at the foot of others, in this case Jews, but one can only move on when they accept their own guilt in the allowance of the creation of our decadent and depraved society. I think this is what Nietzsche was trying to get across in most of his writings. He saw that inherent weakness within the non Jews and it was the Jews who capitalised upon it, doing what they do best.

To compare society the way you do would be like all non Jews, drowning in a pond, believing that the Jews have their foots upon their heads, only to realise that it's themselves who are submerging themselves, putting the blame on imaginary Jewish feet. They can get out of the pond any time they so choose but many choose to remain.

Of course, I know only too well of the subversion of society under Jewry. I'm far from stupid as you know, but when I try to explain this to people, I'm laughed at, proving overwhelming ignorance and thus the servitude of the goy, to the Jew, commonplace.

Your view would be perfectly acceptable in a world where the Jew made up 90% and the goy 10% but this is simply not the case. Subversion plays a massive part, as you already know, but it's up to people to spot this and act upon it, something the overwhelming majority have no desire to do and hence their serfdom under Judaism.

There is a world above and beyond the jews and the gentiles and their various interactions, and the ongoing folie-a-deux which characterizes their relationship.

The Children of Israel were the Chosen People of God, not because of who they were, but simply because God chose them, the least significant of all peoples, in response to the manifested faith of their physical father Abraham, who exemplified the scripture which states “Behold, to obey is better than offering, and to give heed is better than the fat of rams...”

But faith is not transmitted genetically. It is a spiritual characteristic, not a physical one.

This is why they were told at Deuteronomy 10 v 16, “Therefore circumcize the foreskin of your heart, and be stiffnecked no longer”; and why Steven told them in Acts ch 7 “Ye stiffnecked and of uncircumcized hearts and ears, ye have always resisted the Holy Ghost; as your fathers did, so do ye...”

and why their Creator, the Lord Jesus Christ told them “He that is of God heareth the words of God, ye therefore hear them not, because ye are not of God”.

This, the message of Truth, they hate and resist. They go about to kill anyone who brings it to them.

But Satan sees everything that God has chosen, and attempts to subvert it to his own service. Thus his efforts to get the Son of God to worship him. Envy is his primary characteristic, and lying, theft, and murder, his modus operandi. Thus, the Chosen People of God become the Chosen People of Satan, through their own unfettered choice, as God has given them leave to do.

Their deviousness and inexplicable ability to undermine and corrupt previous social norms are the result of his support for them. They too offer the unwary all the glories of this world. But social norms are not resistant to Satan’s machinations, as we see. The erudite and cultured Germans were rapidly overwhelmed by the tide of jewish-ordained filth which prevailed during Weimar.

The only way to resist these all-too-human perversions and vices is to be infused with a new spirit, the Spirit of God, which hates evil and cannot be undone by it. This Spirit is freely available, and is there for the asking.

“Behold, I stand at the door and knock, if any man hear My voice and open the door, I will come in unto him...”

Jeus christ said that no one can serve two masters, and to say that is ok, to learn to live with a parasite inside owns body, does not appear to be very intelectual.

the diference between Knowledge and wisdom, is as light is to darkness.

Knowledge is the amount of human experiences, that one individual can digest to its own self, as he goes through life and puts in practice through error and victory, every thing his own brain can retain , and hopefully benefit ones self.

Wisdom on the other hand can only come from above, for those intellectuals, that can't dare to believe in a creator of every thing there is visible and invisible

the essence that some times when needed helps man to have the light shine inside his own understanding as an IDEA, that can help him change, his agenda or project to make it possible to become useful and practical.

Satan himself an Archangel, that by its own accord chose to believe, that he too, should be worthy of praises, by comparing itself to God the creator, was cast down from heaven and made earth the same place where, God Himself is using as a Training camp, for all those that chose to believe in him for every thing that a human being, normally needs to exist and live in peace with itself and its fellow men,

satan has been in heaven and knows God the creator better than any natural man that considers itself alive on planet earth, so satan has been kept out of heaven ever since God created the universe as we now have had a glimpse of it. through telescopic appreciation of it, so we could safely say that satan's agenda with all the knowledge it has, has chosen to undermine God's agenda, by misleading, lying, deceiving humanity that is open minded enough to pursue, its own flesh desires without any self discipline. Dr. Green you are correct when you say that there is no perfect human being, but there still a VERY BIG DIFFERENCE BETWEEN A MAN THAT GOES THROUGH ANY TYPE OF MILITARY SERVICE, COMPARED TO A CIVILIAN THAT HAS NEVER RECEIVED ANY TYPE OF FORMAL DISCIPLINARY TRAINING, TO PURSUE AN ESPECIFIC OBJECTIVE, WHERE LIFE AND DEATH MAY DEPEND ON WHATEVER WAS LEARNED. DURING BOOT CAMP. NOT EVEN THE TRAINING GIVEN AT ANY LEVEL OF EDUCATIONAL SCHOOLING, COULD EVER COMPARE WITH MILITARY TRAINING.

So to say that because we all are IMPERFECT as humans behaviour , does not means that we have to learn the ways of the PARASITES THAT CAN ONLY EXCIST BY DESTROYING CIVILIZATIONS, LIKE THE JEWS UNDER SATAN'S GUIDANCE DO. DEPENDING ON THE DICIPLINE THAT A MAN/WOMAN IS WILLING TO TRUST THEMSELVES TO TDHE GUIDANCE OF THE HOLY SPIRIT, WILL DEPEND WHETER THAT INDIVIDUAL WILL SPEND THE REST OF ETERNITY EITHER IN HEAVEN OR HELL. JUST AS SOMPLE AS THAT.

Dr. Green just because you read a book no matter who wrote it amd try to remember and understand th writers state of mind does not mean you KNOW THAT INDIVIDUAL. you may and could learn certain aspects of the writers thoughts and might even go to the point of saying that you know the individual , but that does not make it true. same goes with the Holy Bible a man/woman, may read the bible day and night, but unless God OPENS THE INDIVIDUALS UNDERSTANDING WITH HIS GODLY WISDOM A MAN/WOMAN COULD NOT UNDERSTAND THE BIBLE MUCH LESS THE ONE THAT GAVE IT TO US FOR GUIDANCE THROUGH OUT OUR LIFE TRAINNING. BECAUSE THAT IS WHAT THE BIBLE IS A MANUAL FOR HUMANITY TO BE ABLE TO UNDERSTAND WHEN THINGS ARE NOT EASY TO UNDERSTAND, AND MUCH, MUCH PRESISE THAN ANY BOOK ANY MAN COULD EVER WRITE, TO HELP HIM TO SORT OUT THE EVERY DAY PROBLEMS WE ALL HAVE TO SORT OUT THROUGH OUR LIFE TIME.

I think when we use the loaded term “anti-Semitic” when referring to people opposed to Jewish cultural subversion, we are undermining our own cause. “Anti-Semitism” is based on genetics, is practically non-existent, and is a huge gun in the adversary’s arsenal. The correct term to use, I believe, is “anti-Judaism”, which opposes the evil Jewish/Talmudic ideology and the evil behavior based on it, and has nothing to do with genetic makeup. Anti-Judaism is good since post-Christian Judaism (as opposed to the religion of the Old Testament) is diabolically evil, and anti-Semitism is bad, although you’d be hard pressed to find it anywhere.

Here’s what Israel Shamir has to say about it in an interview given to the leading radical left-wing magazine of Sweden, FiB, some time ago, taken from Shamir’s website:

Question. You claim that anti-semitism doesn’t exist today. Can you explain what you mean by saying so?

Shamir: Antisemitism was a short-lived racial theory of late 19th century claiming that – like zebras are what they are, jews are what they are; that they possess some racial qualities making

them an inherent enemy of the Nordic race, like a wolf is an enemy of a rabbit. This view was unknown previously, as the Church and the Ulema thought that the problem between Jews and Gentiles is a religious problem; conversion of a Jew into Christianity or Islam removed the problem. The racial view is quite out of fashion today; and I have never met a person who would consider jews being some race apart, dangerous to the rest. Or, taking a less learned approach, antisemitism is presented as ‘hatred of Jews for what they are’. Such a phenomenon vanished completely. There are people who object to policies of Jews, but none – to Jews per se.

That is why we can say that antisemitism disappeared after a very short shelf-life. Jews tend to use this word for the perfectly legitimate, nay, commendable objection to their policies; for instance, to the policies of Israel etc, but then it is just an offensive label.

I just finished watching the communist propaganda film “I am Cuba”. The film begins with the nightclubs and prostitution of the corrupt, debauched Batista regime. Funny thing to see communist Jews riding their high horse of morality as they look down on the filthy morals of their capitalist brethren. As Alex Linder would say, “The Jews set ’em up and the Jews knock ’em down.” Is it any wonder that Jews are at the forefront of white (sex) slavery in the Middle East, and that their primary targets are white European women? When I first read about sex slavery in Israel, I immediately thought of the prostitution in Wiemar Germany. One can only wonder how much longer the stupid

goyim will allow Jews to spit on their wives and daughter's as they serenely comment, "Pay no mind, it is only the morning dew."

"....or "Bolshevik culture", a derogatory term for Jewish culture itself....."

How enlightening! That's what I've been calling the US government since the controlled demolitions of 911: "The New Bolsheviks".

And with all the dual-national Israeli's in US government driving this descent into dictatorship, I now know that I was right. Jews miss their beloved Stalin, don't they? So much so they've apparently decided to re-enact it all in the US again.

I see. So what you're saying is : Darkmoon is kaballah jew to-the-core. DM is an Israeli website. Yes, it's true. Lasha, Monte, Lucy, and Oh, about 99.99%, of the commentators here at darkmoon , are hebes — I call them Lasha's stage crew. lobro thinks he's the best troll actor here, but that's not true. He's actually quite obviously a sheenie. He's not as good an actor as he fancies himself to be. Harriet is the best jew actor in Lasha's ensemble, Lasha's jew acting troupe — israeli Lasha's jew kaballah play, "Darkmoon", she named in honor of the satanic

jew “goddess” lilith. Harriet’s role is to be “the straight man” so to speak. She’s excellent as it’s not so obvious she’s a Jew, but she is. Lasha is very obvious. So is every one of you fuckin Darkmoon kikes.

@ VidereLicet, aka “Joe”

At least you could have the courage to call yourself “Joe” instead of using all these only-too-obvious sockpuppets. You are an absolute menace and I am not surprised you’ve been banned from every other website — i.e. once they wised up to you and figured out that you were either a Zionist troll or an inmate of some loonybin.

Not that the owners of this website haven’t figured out what you are. A Jew nutcase. I think they must be publishing your disruptive, narcissistic crap for a good reason.

Yes, I guess we’ve learned a lot about Zionist trolls just from having to put up with your constant streams of verbal diarrhea. You need retraining. Efficient trolls are more subtle and don’t make it so obvious they are trolls. As you do.

You are not even entertaining. The Jew Seymour Zak is at least amusing and knows how to write a pithy post. He doesn’t waste words. He posts only once in a while and then buggers off, not imposing himself on us oppressively like you do and boring the pants off us.

The only one who had a good word to say to you is that mad cunt Karen who comes here only to vomit all over Darkmoon periodically — a vicious little dyke who would suit you well as

because if that’s the case, what is he trying to accomplish other than wasting shekels in a pointless exercise.

*“anyway, yank his chain once a day just so that people can ascertain the magnanimity of montecristo and lasha, but don’t let him take over and drive readers away.”*

Only a small fraction of Joe’s posts are published. Not enough to drive intelligent readers away. It seems to me that if posters are driven away by one or two posts by this obvious troll, they aren’t worth keeping anyway.

Remember all the trolls we had on xymphora in the old days? They made no difference to the hard core of regular posters who either ignored them or put up with them with a tolerant amusement.

These trolls serve a valuable function. They only become a danger when they take over the entire website and every second post is by them.

That’s not going to happen here.

*"Who is Joe?"*

The resident nutter or Jew troll on permanent monitoring. Most of his posts have to be deleted, but they let him have his say now and then. His output is tremendous, so he would be taking over the entire website if every post of his was published. He has numerous sockpuppets but an asterisk after the name (\*) will tell you that they are all he same troll: "Mad Joe".

He has been banned from most other websites (e.g. by Mark Glenn and John Friend). This site is unique in giving him a forum, even though he has driven some of the best posters away.

He is known for his vitriolic pen and above all by his hatred of Ms Darkmoon whom he constantly likens to the demon goddess Lilith. I suspect he is the cruel “stalker” Darkmoon has spoken of on a previous occasion in the *Occidental Observer*. This is a jilted boyfriend of Darkmoon’s who pursues her all over the internet making her life a hell. Apparently he beat her up and gave her a black eye after she dumped him.

The boyfriend revealed somewhere (I think on theuglytruth site some years ago) that LD resembles some femme fatale silent screen actress, I think Louise Brooks, but has long hair instead of short.

I think this has been verified by a Muslim writer and USAF veteran (published on internet with photo) who met LD and sister Lucy at some academic conference in NY a few years ago...

*AMERIKAGULAG: How enlightening! That’s what I’ve been calling the US government since the controlled demolitions of 911: “The New Bolsheviks”.*

In that case, you and Darkmoon have arrived at the same formulation ... but maybe you got there a bit before her! That is, if you started referring to the US government as “The New Bolsheviks” soon after 9-11.

Darkmoon has recently (in the last year or so) started referring to the Jewish neoconservatives and their shabbat goy accomplices in the US government as “neo-Bolsheviks” in a derogatory way:

*“We now live in a **neo-Bolshevik police state** which will soon be engaged in the systematic slaughter of its own citizens. There is nothing new under the sun. What has been, will be again. The same **Bolshevik beasts** who once ran amok in war-torn Russia and Germany have been reincarnated in America and now await their hour of satanic bloodlust.”*

Pity. Germany has not changed much since the end of WW II. It has gone from Nazis to Zionist slavery. Chancellor Angela Merkel on her re-election has once again committed Germany to defend the Zionist entity against Iran.

It's hard to believe how Germans could be so ignorant of Jewish history in the country when they're reminded it by more than eight Holocaust museums and memorials? Berlin has the largest Holocaust Museum in the country. German Chancellor Angela Merkel, is world's best known head of state in Israel. She has never missed annual Holocaust memorial service and several times travelled all the way to Jerusalem to pay her homage to Zionist masters. German president Joachim Gauck, an ex.priest, is currently in France visiting Nazi labour camps.

### MIRRORING OSHO ON GREED, SEX AND JEWS

(...) Repression is not the way: transformation is the way. Don't repress anything. If sexuality is there, don't repress it otherwise you will create a new complexity — which will be more difficult to tackle. And if you repress anger, greed is even more difficult then, and if you repress greed, arises ego, pride, which is the most difficult thing to drop.

Move back: from pride to greed, from greed to anger, from anger to sex. And if you can come to the natural, spontaneous sexuality, things will be very simple. Things will be so simple that you cannot imagine. Then your energy is natural, and natural energy creates no hindrance in transformation. Hence I say: from sex to superconsciousness. Not from anger, not from greed, not from ego, but from sex to superconsciousness (...)

(...) Sex matters to us all. The Osho approach to sex begins with an understanding of how important love is in our lives, while at the same time acknowledges that the journey into love cannot exclude our innate biological energies. With this perspective, it becomes clear that the tendency for religions, and for society in general, to associate sex with sin and morality has been a great misfortune (...)

(...) Stale water always becomes poisonous. It is better, if you are wise, that you will not only draw water for yourself, you will invite your neighbors to draw water from your well. And you will feel thankful that they drew water from your well because the fresh will be coming more and more. The more you draw, the more fresh water is available.

And the same is true about your innermost world: you are a well, and your fountains are connected with the divine, with the center of existence.

A sannyasin is one who has dropped desiring and has started sharing. A sannyasin cannot be a Jew; and if a Jew is a sannyasin then he will have to choose either to remain a Jew or to become a sannyasin. It is not possible for you to be both, you cannot be both together.

After reading this article a couple of times (it is truly WELL DONE, and scholarly), I find that the best way to apply it to current affairs (after all – history is relatively useless unless it has contemporary application!) in the whole of the world – especially America – is to note the author’s featuring of the “slow and gradual” process by which [national] degradation succeeds in its aim. By now, it is obvious those behind-the-scenes engineers of social degradation have seized upon the effectiveness of its scheme, and have reinforced its strongholds, especially where our young and impressionable are concerned. Nothing is taboo.

Our domestic laws, for instance, have become so infused with the influences of radical feminism, that many men wonder at the validity and virtues of marriage, nowadays. It is much less expensive to join a “gentleman’s club” (the fee around \$25,000 to join), than to take a chance on getting married to some woman who has as many fingerprints on her ass as the FBI has on file. Moreover, both parties know what end will come of the “date” – but that does not mean the man need be a cretin, nor the woman tawdry. In fact, many of the women who contract themselves thusly are refined and well-educated – besides being very, very attractive. Such institutions have been around forever. They are nothing new, and really quite civilized.

Debauchery and social decline are CONSEQUENCES of a corrupt money system, more than they are CAUSES of it. One can hardly exist without the other.

Surely there must be a fool-proof scientific method as to avoid having opportunistic criminals label people they don’t like.

@ Gabreal Jones

Yeah, sure. And green tomatoes grow on the moon! The stories of Hitler shitting on women's chests were invented by a Jew who specialized in anti-German war propaganda. You mentioned his name in a previous post, but failed to mention that he was a JEWISH war time hasbara agent working for the OSS — a forerunner of the CIA. He was also a fake psychiatrist.

This is the same Jewish crap artist who suggested that Hitler was a Rothschild and a Jew... and then mumbled, "Hey, but don't take this seriously as it's only a rumor!"

Yeah, and the same hasbara Jew who made up her rumor then tells people not to take it too seriously...!... which Gabreal Jones and Dublinmick, having lost half their brains, immediately begin to take seriously!

As far as I'm concerned, you're a discredited poster, Mr Jones. Repeating Jewish conspiracy theories, the wilder and more improbable and obscene the better. If this is what TM has done for you, God help other TM meditators!

Sure you have two balls, Mr Jones? Hitler only had ONE, remember? And he liked shitting on women, too!

You know, I think you're more than a Zionist agent. I think you're a fucking sexual pervert. So fuck off and keep your filthy comments for Dublinmick and other brain-dead morons who lap up your scatological conspiracy theories.

not to worry ruth, if that's the case, hitler had some very enlightened company (<http://www.amazon.com/Stripping-Gurus-Geoffrey-D-Falk/dp/0973620315>)

*Ramakrishna was a homoerotic pedophile.*

*His chief disciple, Vivekananda, visited brothels in India.*

*Krishnamurti carried on an affair for over twenty years with the wife of a good friend. Chogyam Trungpa drank himself into an early grave. One of Adi Da's nine "wives" was a former Playboy centerfold. Bhagwan Rajneesh sniffed laughing gas to get high. Andrew Cohen (jew and therefore close relative of adolph von rothschild), guru and publisher of *What Is Enlightenment?* magazine, by his own reported admission sometimes feels "like a god."*

[g\*d to be precise]

*These are typical of the "wizened sages" to whom otherwise-sensible people give their devotion and unquestioning obedience, surrendering their independence, willpower, and life's savings in the hope of realizing for themselves the same "enlightenment" as they ascribe to the "perfect, God-realized" master.*

may i add that geoffrey d. falk is the world's absolutely most unimpeachable, creditworthy author, especially on the subject of hindoo pedophilia, diddling themselves transcendental.

oooh, how tight is the shoe when worn on the other foot.

got an idea.

why doesn't the commentariat vote on who stays in the club? those with say, more than 10 posts per year and uniquely identified by their ip address should be able to draw up the list of those they'd like to see booted off the site so that survivors can get back to business of discussing lasha's articles in a constructive and contributory manner.

democracy in action, winner take all, the losers welcome to nurse their wounded and vindictive feelings at their own blog, i don't think that the name "crocodile pool" has been taken yet.

and monty cannot be accused of playing favorites.

Good idea. I vote for the immediate eviction of Gabreal Jones. So does Sardonicus. So do you. That's three people who want him out.

I see it this way. He doesn't need to be "evicted" by Admin. If he has benefited in the slightest way from TM, he will depart voluntarily. Right now.

If he doesn't, it's a proof that TM is worthless.

He has even begun to abuse the "editors". Just like TheRealOriginalJoe. What do the "editors" have to do with the commentariat? Nothing. They just let the comments through, apparently without even reading them.

From your creed:

(...) Repression is not the way: transformation is the way. Don't repress anything. If sexuality is there, don't repress it otherwise you will create a new complexity — which will be more difficult to tackle.

Wouldn't this include eating shit to get your rocks off? As much as you talk about it, surely you've thought about it in vivid detail.

Your creed looks like the way to total debauchery. Where is discipline? Where is anticipation?

When I was about in 5th grade, I found some pictures and looked at them until my dick hurt. I thought it was going to rupture out of the skin. Those were growth pains. If I had been able to get my rocks off, the pain would have stopped, along with the growth. Discipline is how a guy gets a big dick. Your creed is the creed of little dicks.

It's like that with virgin girls, who your ilk calls 'puritanical prudes'. You see a sultry glow becoming more evident in those prudes until it becomes so brilliant and alluring, it's just stunning. They become more sensitive to the sensual touches, the innocent things, the natural affections. Just like with sensimillia or a rose, seed will compromise that potency. Does this sound like a law to you?

The dead and the numb are the sluts, like Madonna and lady Caca. Prudes don't let just any bozo touch them there, because they really feel it. We'll never hear from the image of the beast how much that potency affects conception, but I hunch they

prefer it to be the cheap and easy and dead way to guarantee a weak and feeble next generation. Your 'progressiveness' has been done before. It progressed to ruin, every time.

Why don't you and the rest of your dead ilk stop telling the living how it's done. It doesn't take a genius to figure out that people like you abandoned the natural affections years ago. You have to be jumping around the room with a broomstick or a gerbil up your ass, slinging and eating scat to get your sorry dead rocks off. Who do you think you're fooling?

Well said, Shirley! We are all sick of the liberated ladies, like Madonna and Lady Gaga and the tongue-slurping slut Miley Cyrus.

These are the Jews' artefacts... the Jews' animated sex dolls. They get paid for being sluts. There are no Audrey Hepburns any more.

And they're not very attractive either, these whoresluts. I see better-looking girls on every street corner. And hey, I live in Sri Lanka where the women wear saris and look like dusky goddesses!

karma is a con because Satan (i.e.; jew) fools us into lending

OK, OK – just remember, what do we really know? Are you going to simply dismiss this out of hand because mentors don't concur with it. Or will we use it as fodder for continuous investigation?

Many men and women never realize that coconut oil has a large amount of benefits with it and is in fact anything you should be using on an usual basis. Though this oil is rich in saturated fats, it is still ideal for cooking. It helps to keep connective tissues strong and supple so that the skin doesn't sag and wrinkle.
