An edited abridgement of E. Michael Jones' 2003 essay, *Rabbi Dresner's Dilemma: Torah v. Ethnos* (<http://www.culturewars.com/2003/rabbidresner.html>), presented with pictures and captions by Lasha Darkmoon

“Sexual morality is contemptible. I advocate an incomparably freer sexual life.... If only Americans knew, we are bringing them the plague (<http://www.kevinmacdonald.net/chap4.pdf>)!” – Sigmund Freud

Here is a quote from Part 2 of this essay:

“A really efficient totalitarian state,” Aldous Huxley once noted, “would be one in which the all-powerful executive of political bosses and their army of managers control a population of slaves who do not have to be coerced, because they love their servitude.”

A population of slaves will quickly swear its allegiance to what it sees as the source and guarantor of its pleasures.

These pleasures, in the form of the most addictive pornography, are now being promoted by organized Jewry as a form of political control. By demoralizing the masses, Jews help to weaken the power of the non-Jewish majority.

what is this aberration of yours???? people come to the world naked and there is nothing more beautiful and natural than nude bodies. In fact, for many thousands of years people were all naked. Even old religious works of art show nudity galore.

E. Michael Jones makes some great points about Hollywood being Jewish, and Rabbi Dresner being in partial denial. The Rabbi idealized the life of Eastern European Yiddish culture as all Jews do—nothing new there. Isn't it convenient to have a blank screen to project onto. Of course, we all do that and for that reason we have all our golden ages in the past.

Then there are the modern American Jews who have hit bottom that we never hear about that crowd the AA meetings, the Debtors Anonymous meetings, the Gamblers Anonymous meetings. Of course, AA is infused with Catholic tradition because it was modeled on Catholic exercises. I'm not an AA type but I understand that the Lord's Prayer has been dropped from meetings that have big Jewish attendance. Same old story. The Catholics kept Hollywood morally in check and then Hollywood escaped Catholic censorship and now the bottom level of the Jewish world seeks Catholicism in AA.

It's true the OT was very anti-sex, far more than the NT; but then there was Jakob Frank and the inversion of morals—being bad to hasten the arrival of the Messiah. Of course, being bad to create good is like overeating to force yourself to go on a diet. It's just more self-delusion.

I'm reading E. Michael Jones, *The Revolutionary Jew*, and what hit me was that part where Jews wanted to replace Christ with Jehovah, just as they believed Christ had replaced Jehovah before. But now I doubt I could find any person of Jewish ethnicity who even acknowledged that Jehovah was the name of the Jewish God. There is now a blank there with the name and that name is G...D. A few years ago I mentioned Leviticus to a Jewish man and again I got the blank look—what is Leviticus he asked. The central book of the Jewish law, I answered. Again blank.

Guess what? Judaism has become AA without the Lord's Prayer. Jews now seek a Higher Power in the Big Book. But they will defend Judaism even though they don't practice it. I mean that Judaism that existed one hundred years ago in an Eastern European village that was wiped out by the Holocaust.

When it comes to pornography – there is no difference between Jewish Bible (OT) and Christian Bible (NT). The 27 books of Christian Bible have four books from the Jewish Bible which teaches more sex, nudity and adultery than the PLAYBOY magazine.

When it comes to pornography, prostitution and child sexual abuses – the US, EU countries and Israel top the list.

According to the Family Research Council: “Each year, right under our noses, 100,000 American children are victimized by sex traffickers. Make no mistake, this is not a problem that’s just “over there.” These heinous crimes are happening in our own backyards”.

“Domestic minor sex trafficking is the name we have given to the sexual exploitation of U.S. citizen children through prostitution, pornography and sexual entertainment. The name reflects the fact that this exploitation is human trafficking as defined in the federal Trafficking Victims Protection Act of 2000. The crime therefore is a federal crime of trafficking and the victims should receive the full range of protections, services and rights outlined in the TVPA – but, however rarely enforced,” Linda Smith, former Congresswoman, told a Congressional committee in September 2010.

Genesis is Book of Pornography.

1. Night after night both the daughters of the prophet Lot seduce their drunken father and conceive children from him (Genesis 19:30-36)

2. Reuben the eldest son of Jacob, in the absence of his father, had sexual intercourse with his father's wife (his step mother) and Israel (Jacob's second name) heard it. This episode was reported to him, but he did not fume or spank his son for his naughty behaviour. Nor did God have a single word of reproach for him (Genesis 35:22).

3. Judah (Jacob's eldest son) had sex with his daughter-in-law. "She conceives immediately and delivers bastard twins who become the grandfathers of Jesus Christ. Thus God rewards Judah and his progeny," Genesis 38:15-30.

Some more Biblical attractions...

1. Amnon (son of prophet David) "rapes his sister Tamar and God did not punish or reprimand him," 2 Samuels 13:5

2. Another son of David (Absalom) "sets up a tent on the flat palace roof and lays ten of his father's wives and rapes them all one by one, in the sight of whole of Israel," 2 Samuel 16:21-23.

3. "Neither the Assyrians, the Babylonians nor the Egyptians could ever satiate the Jewish whore. Other prostitutes were paid by their clients for their services but this one paid them for being serviced. She spread out her legs to every passerby!," Ezekiel 16:23:34.

4. “She seizes him and kisses him...Come. let us take our fill of love till the morning, let us delight ourselves with love, for my husband is not at home...,” Proverb 7:7-22.

5. “And Samson went to Gaza, and there he saw a harlot and he went in unto her (had sexual intercourse with her),” Judges 16:1.

For further entertainment, please study Deuteronomy....

There's no point entering into communication with this low IQ idiot, Rehmat, who is asked to give proof of sex and nudity in the NEW Testament and then offers several quotes from the OLD Testament!

He claims that FOUR books from the Old Testament are found in the New Testament — which is news to me! — and then claims that the New Testament is full of sex and nudity.

To prove his point, he then quotes liberally from *Genesis*, the first book in the Old Testament, and several other Old Testament books.

I used to respect this guy once and read his blog. I won't any more. He is obviously brain-dead if he doesn't know the difference between Old Testament and New Testament.

9) Sex Slaves (Exodus 21:7-11 NLT)

“When a man sells his daughter as a slave, she will not be freed at the end of six years as the men are. If she does not please the man who bought her, he may allow her to be bought back again. But he is not allowed to sell her to foreigners, since he is the one who broke the contract with her. And if the slave girl’s owner arranges for her to marry his son, he may no longer treat her as a slave girl, but he must treat her as his daughter. If he himself marries her and then takes another wife, he may not reduce her food or clothing or fail to sleep with her as his wife. If he fails in any of these three ways, she may leave as a free woman without making any payment. (Exodus 21:7-11 NLT)”

I cannot help but wonder, how many people will be turned off, when certain groups or individuals use their power to degenerate humanity.

Imagine, of all this modern technology would have been used for the bettering of the planet.

Sex certainly ain't fun in this controlling fashion. Imagine how many people get filmed masturbating in front of a camera on the Internet. Some of these people maybe watching you years later and it can be used against you if you run public office. Certainly, with sexualities easy and irresponsible ways, you can also give your power away to an illusion which is less than fulfilling.

The type of sex which is promoted these days is for people who do not know how to truly love.

What a turn off that any group would determine our sexual life and we allow it.

If people would know this, the porn industries profits would be cut in half.

Isn't it practical to rob the people of their life force so they can't bring the changes to the society which we urgently need to survive the coming trends?

All of this will weaken our resolve and good intention for a better life in planet earth. Yes, people have surely the right to explore what works for them and what does not work for them but if these explorations manipulatet and exploited, then we have a problem. We are being manipulated and we do not explore life and share our discoveries with trust. With ongoing exploitative pressures, especially upon women to perform, we are unable to cultivate a rich life filled with true love.

We must never forget that we are spiritual beings. We have a body to use it for the physical, mental and spiritual unfolding of our potential and nature. Any type of exploitation is against the family affair we all have with the universe and with all life.

Imagine, we are a family, ready to evolve, share fearlessly what works and what not. What are our true needs? Why are we here?

We are not here to be a slave. We are here to become

“ _____ ”

Sex has become an indoctrination and love means little to those who actively degenerate humanity into mere cattle. I cannot help but wonder but seeing the future of humanity as a modern day butchery investment firm. Just look what is being done to the cows. We will first be slaves and then be vaccinated away with. With overusing our sexual fluids our immunity may be decreased. Then our organs are harvested while alive... and perhaps even aware.

It could be that there are some beings out there who can handle all the sexual indoctrinated over stimulation with ease. Many others would perhaps want to cultivate more sublime things in life as well, especially highest universal love. It would be nice, if the media, movies, and music would guide humanity to deeper realms.

@ Ed Sallis – You don't have to quote your filthy Talmud – I already know how it call Jesus a “bastard” and his mother “a whore”.

It's OT which quotes prophet Moses commanding his followers to kill all its captives except 3-year + 1 day baby girls to be used as sex slaves. That's the reason most of your Jewish tribe and rabbis are always caught in child pornography and sex.

According to Jewish scholars, when saint Marry gave birth to Jesus, she was only 12-year-old and had a Jew boyfriend named Joseph.

But then talking to you would be talking to your 10ft thick 'Holy Whining Wall' which not constructed by King Solon but some Roman king.

I am well aware that the Talmud is a filthy book and that the Quran is a clean one. But YOU do not seem to know the difference between the OLD TESTAMENT BIBLE and the NEW TESTAMENT BIBLE.

The OLD TESTAMENT is for JEWS. The NEW TESTAMENT is for CHRISTIANS. They are two DIFFERENT messages for two different religions.

So WHY do you blame the NEW TESTAMENT for the sex and nudity you find mentioned in the OLD TESTAMENT?

I am a CHRISTIAN and I tell you: there is NO SEX OR NUDITY in the NEW TESTAMENT!!!!!!!!!!!!

Get yourself a BRAIN TRANSPLANT!!! And learn the difference between JEWS (Old Testament) and CHRISTIANS (New Testament).

Your low intelligence is shown by the fact that you refuse to acknowledge your error. WHY do you quote filthy passages from the Jewish Old Testament to prove that the Christian New Testament is equally filthy?

Are you BRAIN DEAD?

Maybe you were trying to quote Mathew 15:24. “I am sent but to the lost sheep of the house of Israel.” Strange statement for sure and he is referring to a woman not from “that house” who wants healing. Hmm. He heals her because of her faith...so not just of the “house of Israel” in that case. I still don’t think that automatically translates into the the OT=NT.

I like to read the NT in the context of Biblical archeology. There were many different groups before the end of the 2nd Temple, and those groups did have different texts. Some of the arguments that Jesus had with the Pharisees were over text. For example, the passage in John where Jesus summarizes the Law. Many Christians interpret that the whole of the Law (the 5 books of the Torah) is to be found in that one passage. Also Paul said that the spirit of the law, not the letter of the law was to be followed. How seriously can any Christian take the OT when the OT in Deuteronomy has God curse Christ:

Deuteronomy 21:22-23 “And if a man has committed a crime punishable by death and he is put to death, and you hang him on a tree, his body shall not remain all night upon the tree, but you shall bury him the same day, for a hanged man is accursed by God...”

Also, aside from the summary of the law it’s hard to find Jesus commenting on the Law or the Torah, that is the first 5 books of the O.T. which comprise the Jewish Holy Scripture. Jesus quotes Isaiah the most and some would question whether he might have been a sect with a different set of scriptures. Jewish scripture was not canonized until after the burning of the Temple–70AD and Jesus died in 33 AD or something like that. The Gospels were written from Christian hymns that were sung in Churches—not all the Gospels agree and John agrees least.

I'm commenting here on Part II of the E. Michael Jones essay, which covers in more depth pornography as a Jewish contribution to American culture—porn comes not from the Old Testament but from the Kabbalah and the Shabbetai Zevi heresy where morals are inverted to hasten the Messiah. This is really the “end justifies the means” philosophy that we saw with the neo-cons. (And by the way Dennis Prager who is mentioned in Part II is a lying creep who is a total neo-con and furthermore can't stop talking about his sexual organs or the new suits he gets to buy from talking up hatred towards Muslims)

Jews prefer psychology to history. But it wouldn't hurt to have everyone read a little more about the Shabbetians or the followers of Shabbetai Zevi like Jacob Frank. This is modern Judaism in a nutshell.

The topic is huge and so much so that it's hard to know where to begin or more importantly end. I'll just try to say as little as possible. First of all Jones doesn't mention the Kabbalah part,

which includes the idea that a male does not have any contact with the Shekinah (like Holy Spirit female style) unless he is having sexual intercourse. So the traveling man has to rush home to quickly re-establish contact. Sex as a metaphor for contact with the divine as in the Song of Solomon is made very concrete.

The other point is Jewish culture has a short shelf life (at least for me). The Jewish narrative is like a sauce that makes you sick, and it covers TV, published books, magazines, and conversations of the cultured classes. It's almost inescapable. A famous Jewish comedian once said, the only club he wanted to belong to was one that didn't allow Jews. And this maybe explains the Jewish obsession with everything non-Jewish—especially gentile women. But then the minute they get a hold of the woman they try to make her acceptably Jewish, and likewise America has to become acceptably Jewish.

But if there is any consolation then once Jewish men find their non-Jewish women they often settle into comfortable gentile style marriages and lose interest in Jewish life. Although the loyalty to Jewish victimhood, Israel, and the Holocaust remain. It's up to the Catholics to analyse and critique the whole mess because the Jewish interest isn't really there. The Rabbi might be correct that intermarriage is destroying Judaism, and Michael Jones is right that Jewish Shabbatians are destroying American culture—or maybe it is destroyed. But this might be an old story—people move in to the land and conquer the natives and then the natives conquer the invaders through absorption.

You are a FOOL. Period. Why are you a fool?

(1) Because you say there are FOUR Old Testament books in the New Testament. This is false. Name the four Old Testament books in the New Testament. Go on, I challenge you!

(2) You say the New Testament is full of sex and nudity. When asked to prove it, you quote from the OLD Testament. This is like saying the cat is dirty because the dog shat on your carpet!

(3) And then, to wiggle out of your stupidity, you resort to abuse and call Ed Sallis a “Jew”. Is this how Muslims win arguments: by SPITTING ABUSE! You bring shame on Islam! Next you will be calling ME a Jew, as if abuse will win you the argument!

I repeat: you are fool to try and prove that the New Testanment is full of sex and nudity by quoting from the OLD Testament!!!!!!!!!!
