

PORNOGRAPHY AS A SECRET WEAPON

Pornography is deployed today as a psyop or mind weapon: to pacify, control, brutalize, and ultimately enslave the masses.

“We corrupt in order to rule.”

— Italian Freemason Giuseppe Mazzini

TURNING MEN INTO SWINE

How do you take a nation of free and independent citizens and turn them into slaves? How do you do this slowly and imperceptibly, without violence, and with the willing participation of the slaves-to-be?

The answer is simple.

You corrupt them, undermine them, deprave them, demoralize them, until they have acquired all the characteristics of slaves.

As the sorceress Circe, with a wave of her magic wand, turned the followers of Ulysses into grunting swine, you can wield your weapon of mass hypnosis, the media, over a nation and transform its citizens into

willing slaves. You can learn to roboticize man and turn him into a living machine. This is power. This is what it must feel like to be God — or the Devil.

Is there a secret weapon or “magic wand” for turning men into swine? Yes, there is. Sex is the secret weapon, the magic device, that turns men into swine.

1. Jews use pornography “to destroy gentile morals”

Who are the richest and most successful entrepreneurs of the \$100 billion year porn industry? [1] The peddlers of pornography belong to all races, but one race above all stands out as preeminent in this field. Selling sex, like slave trafficking and moneylending, has always been a Jewish speciality.

Jewish academic historian **Dr Nathan Abrams** (*right*), perhaps the world’s most renowned authority on the Jewish role in pornography, let the cat out of the bag a few years ago in his controversial essay, *Triple-Exthnics*. [2]

Published in the prestigious *Jewish Quarterly* in 2004, this essay spelled out in detail how the world’s multibillion dollar porn industry was dominated by Jews.

(https://www.darkmoon.me/uploads/271194022_6401-300x1681.jpg)

Jewish academic Dr Nathan Abrams:
“Though Jews make up only 2 percent of the American population, they dominate porn.”

Dr Abrams not only admits that Jews are the world’s most successful pornographers, he celebrates the fact. Jews, he tells us, have a grudge against Christianity, an “atavistic hatred of Christian authority” rooted in centuries of humiliation, and pornography is one of the ways in which they get their revenge on their Christian persecutors — the hateful oppressors who expelled them from 109 countries since the year 250 AD, always without justification. [3]

So it’s now payback time.

Jewish involvement in pornography [Dr Abrams notes candidly] has a long history in the United States. Though Jews make up only two per cent of the American population, they have been prominent in pornography.

According to one anonymous industry insider quoted by E. Michael Jones in the magazine *Culture Wars* (May 2003), “the leading male performers through the 1980s came from secular Jewish upbringings and the females from Roman Catholic day schools”.

The standard porn scenario became as a result a Jewish fantasy of schtupping the Catholic *shiksa* [non-Jewish female].

Jewish involvement in the X-rated industry can be seen as a proverbial two fingers to the entire WASP establishment in America.

Jewish involvement in porn, Dr Abrams believes, “is the result of an atavistic hatred of Christian authority: they are trying to weaken the dominant culture in America by moral subversion.” [4]

(<https://www.darkmoon.me/uploads/Al-Goldstein1-231x3001.jpg>)

“CHRIST SUCKS!”
— Al Goldstein, Jewish pornographer

Al Goldstein (*pictured*), the publisher of *Screw* magazine, had once said — and Dr Abrams is happy to quote him: “The only reason that Jews are in pornography is that we think that CHRIST SUCKS.”

Dr Abrams’ indulgent attitude to porn is a little surprising. Here is a man who actually believes that Jewish domination of the porn industry is a stunning achievement. Jews get gold stars for masturbation promotion.

ADL National Director, Abraham H. Foxman, agrees with the “liberal” idea that pornography is a good thing — if not for the countless victims of porn addiction, at least for Jews who grow rich on exploiting those addicts. “Those Jews

who enter the pornography industry,” Foxman notes with approval, “have done so as individuals pursuing the American dream.” [5]

Dr Abrams, the sober Jewish academic, now ups the ante by adding a sinister touch to the controversy. “Jews are the driving force behind the modern pornographic industry,” he tells us smugly, “and their motivation is, in part, to destroy gentile morals.” [6]

To destroy gentile morals.

Note that phrase well. It amounts to an open declaration of war. For why should Jews wish to “destroy gentile morals” unless they hated the gentiles — in this case, Christians — and wanted to destroy our most cherished values?

(<https://www.darkmoon.me/uploads/Sarah-Silverman.png>) There is no law to prevent this **Jewish comedienne** (*pictured opposite*) from uttering blasphemous obscenities against Jesus Christ and giving offense to 2.1

billion Christians by her infamous comment, *“I hope the Jews did kill Christ! I’d fucking do it again — in a second!”*

Just imagine an equally well-known Christian comedian coming out with a similar insult against the victims of the Holocaust: *“I hope the Nazis DID kill 6 million Jews! I’d fucking do it again — in a second!”*

Such a grossly offensive comment would be unthinkable. The comic who made it would be ostracized at once and never allowed to work again in the entertainment business.

And yet the Jew today, in the person of Sarah Silverman, is perfectly free to spit in the Christian’s face and is even applauded for this hate speech. The Christian can do nothing about it. He has become a slave in his own country — an object of ridicule and contempt.

2. How Jews Dominate the American Porn Industry

It comes as no surprise to learn that Jews dominate the production and distribution of pornography. If you want to learn more about these luminaries of lust and see what they look like, **here** (<http://jewishfaces.com/porn.html>) is an excellent starting point.

In a now defunct article entitled *Jews in Porn*, parts of which have been published on Henry Makow’s site, Luke Ford notes:

Used to hatred from society, Jews will do its dirty work – such as money-lending in the Middle Ages or porn today – for the opportunity to make money.

Persecuted for millennia in the various societies they've lived in, many Jews developed an allegiance to their own survival as their highest value and care little about the survival of the persecuting society.

Even when Jews live in a society that welcomes them instead of harassing them, many Jews hate the majority culture.

Neither rooted in their own tradition or in that of the majority Christian tradition, they live in a community of rebels.

Because of Judaism's emphasis on education and verbal dexterity, Jews dominate academia, entertainment and media generally. Porn flows out of this culture over which Jews exert an influence disproportionate to their 2% proportion of the American population. [7]

Robert J. Stoller, M.D. in his 1991 book, *Porn: Myths for the Twentieth Century*, sought to understand the mentality of the people involved in the hard core pornography business. While interviewing some of the actors and actresses in California, he was told, “If you're welcomed into the porn scene, it's unbelievable. It's an extended family.... *So many Jewish people involved with it.*” [8]

Today, most porn movies and porn videos in America are produced by Jews in the **San Fernando Valley** (*pictured*) in Southern California. This is located just north of Los Angeles in a sprawl of seedy suburbs known to locals as “Porn Valley” or “the Other Hollywood”.

Here Jews are the kingpins of the sex industry and own every single major studio. Chief among these is **Vivid Entertainment** [9], reportedly the largest porn production company in the world.

This is owned by Jewish multi-billionaire Steven Hirsch, sometimes known as the “Porn King”. Vivid generates an estimated \$100 million a year in revenue, cranking out 60 films per year and selling them in video

stores, hotel rooms, on cable systems and on the Internet. [10]

“Sex is a powerful thing,”
Hirsch notes complacently.
“This is the right time for us!”
[11]

Another billionaire Jewish porn mogul, Paul Fishbein, founder of Adult Video News (AVN), is also headquartered in Porn Valley, California. Fishbein’s business associates, Irving Slifkin, Barry Rosenblatt, and Eli Cross are all fabulously rich Jews. [12]

So make no mistake: Porn Valley, California, is a Jewish enclave, as Jewish as Tel Aviv or Brooklyn.

(https://www.darkmoon.me/uploads/Wpdms_shdrlfi020l_san_fernando_valley.jpg)

SAN FERNANDO VALLEY
Known also as “Porn Valley”, this bastion of Jewish sleaze is thought to produce 90 percent of America’s pornography.

(<https://www.darkmoon.me/uploads/345648323811.jpg-64011.jpg>)

JEWISH SUPREMO ABE FOXMAN:
“Those Jews who enter the porn industry have done so as individuals pursuing the American dream.”

3. The Jewish Role in Child Pornography

According to the British charity, National Children's Homes, 55 percent of the world's child porn is made in America. [13]

It would be astonishing to learn that Jews were not in the forefront of this sordid enterprise also, given that they dominate the porn industry as a whole. [14]

Pedophilia is a worldwide phenomenon, but it is an undeniable fact that the large number of Jews who practice it appear to do so with a certain impunity. Roman Polanski, after he had drugged and raped an unconscious nymphette, got off the hook lightly. All he had to do was buy a one-way ticket to Paris, France. Nothing was done to bring him to justice.

In July 2000, Brazilian police tried to arrest the Israeli vice-consul in Rio de Janeiro, Arie Scher. He was wanted on suspicion of running a child porn ring from the Israeli embassy. Vast quantities of pornographic material had been found on his computer. What happened to Scher? Nothing. Claiming diplomatic immunity, he hopped on a plane to Tel Aviv and that was the last that was heard of him. [15]

Another Jewish pedophile too important to receive serious punishment for his crimes was the son of the famous science fiction writer Isaac Asimov. Found in possession of the hugest cache of child pornography in California, a federal crime normally carrying a 20-year sentence, David Asimov was to receive a slap on the wrist: six months home detention.

How is it he got off so lightly? "A look at the players yields the answer," a sensational news report reads. "Asimov's child porn stash was so big that many child victims and perpetrators would have taken a fall had Asimov been zealously prosecuted at trial." [16]

There is one law for the Jews, it seems, and another for us lesser mortals.

(<https://www.darkmoon.me/uploads/Polanski-cartoon1.gif>)

4. Jewish Gang involved in Child Murder and Snuff Pornography

If 55 percent of the world's child pornography is produced in the US — according to the British charity National Children's Homes — 23 percent of the world's child porn is produced in Russia. [17]

Whether or not Russian child porn is dominated by Russian Jews remains a nebulous issue. There is a high probability that it is, given that there is more than enough solid evidence of Russian Jewish involvement in sex trafficking, kidnapping, pedophilia, and even child murder in the production of snuff porn movies.

*See **endnote 17** for more on the subject of the Jewish role in the world child porn industry.*

Here is a news report first published in October 2000. It will give the reader some idea of the depths of depravity to which some pornographers are willing to sink:

**JEWISH GANGSTERS RAPED,
KILLED CHILDREN AS YOUNG AS TWO ON FILM**

Rome, Italy — Italian and Russian police, working together, broke up a ring of Jewish gangsters who had been involved in the manufacture of child rape and snuff pornography.

Three Russian Jews and eight Italian Jews were arrested after police discovered they had been kidnapping non-Jewish children between the ages of two and five years old from Russian orphanages, raping the children, and then murdering them on film.

Mostly non-Jewish customers, including 1700 nationwide, 600 in Italy, and an unknown number in the United States, paid as much as \$20,000 per film to watch little children being raped and murdered.

Jewish officials in a major Italian news agency tried to cover the story up, but were circumvented by Italian news reporters, who broadcast scenes from the films live at prime time on Italian television to more than 11 million Italian viewers. Jewish officials then fired the executives responsible, claiming they were spreading “blood libel.”

Though AP and Reuters both ran stories on the episode, US media conglomerates refused to carry the story on television news, saying that it would prejudice Americans against Jews. [18]

(<https://www.darkmoon.me/uploads/Little-girl2.jpg>)

3-YEAR-OLD GIRL

According to the *Talmud*, 3-year-old girls like this are fair game for sex with adults (Sanhedrin 54b). Killing them is permissible too. “The best of the gentiles deserves to be killed,” the revered Rabbi ben Yohai states authoritatively in the *Talmud*. [19]

5. Mass Enslavement through Sex

It is a tragedy that the Jews should have been allowed to deploy pornography to such good effect that they have succeeded in enslaving entire nations, as Circe with a touch of her magic wand enslaved the Greeks, turning men into swine: an apt metaphor for what lies ahead for the masses under their new masters.

“A really efficient totalitarian state,” Aldous Huxley once noted, “would be one in which the all-powerful executive of political bosses and their army of managers control a population of slaves who do not have to be coerced, because they love their servitude.”
[20]

Organized Jewry seems to have no moral scruples about profiting from the sale of pornography. They show no concern about the proven fact that highly addictive and dangerous erototoxins are released into the brain after contact with pornography and can cause progressive brain damage.
[21]

Nor do these pornocentric Jews have any qualms of conscience in regard to the wholesale corruption of families, whether Jewish or non-Jewish, or show the slightest concern about the tragic descent of children into the hell of compulsive masturbation and porn addiction — a subject I have covered in detail in a soon-to-be-published article.

These sex entrepreneurs, intent on easy profits, have eagerly sought to provide the masses with the cheapest and deadliest of tranquilizers: opportunities for endless orgasms, by way of a ceaseless flow of pornographic images in the mass media they control.

This is one way to achieve world domination without the need for revolutionary violence or military conquest: to take entire countries and turn them into giant masturbatoria.

The model citizens of the future will be happy masturbators. This enthralling activity will keep them occupied throughout the day. It will make them docile and complacent, sated and semi-somnolent, like drugged dung flies in a cesspool or swilling latrine. They will be too busy debauching themselves to mount revolutions or plan revenge attacks against the shadowy elite who have been the architects of their slavery.

These are not the worldchangers and wizards of the future of whom Nietzsche said, *“Behold, I show you the Superman!”* Because of their degeneracies, their weaknesses, they are destined for the dustbin of history.

(<https://www.darkmoon.me/uploads/Men-in-strip-club.jpg>)**MEN IN STRIP CLUB**

“Behold, I show you the Superman!”
— *Friedrich Nietzsche, Thus Spake Zarathustra*

Here is what Brother Nathanael Kapner has to say on this subject. It is a neat summation. The fact that Kapner is Jewish makes his words even more compelling:

“The degradation of Western Christian social life did not merely happen, it was planned, deliberately fostered and spread, as outlined by *The Protocols of the Learned Elders of Zion*. This systematic undermining of the culture of the West continues today.

The instruments of this assault on Christian culture and consciousness are the weapons of propaganda: the press, television, cinema, and education. The chief fount of the propaganda is the cinema.

From his capital in Hollywood, the Jew spews out an endless series of perverted films to debase and degenerate the youth of America and the Western world. Divorce replaces marriage, abortion replaces birth, and the family becomes the battleground of individual strife. The Jew has attained his goal in destroying Western culture.” [22]

I am afraid I cannot agree with Kapner’s sweeping conclusion that the Jews are entirely to blame for the decline and fall of Western culture. If the West has gone to hell in a handbasket, the goyim are as much to blame. Their enthusiastic complicity with their own corrupters has been their undoing.

The society we get is the society we deserve.

6. Conclusion

There is little doubt that the virulent sex epidemic we witness all around us is a deliberately planned sex psyop. This is what governments want.

The Puppet Masters who pull the hidden strings of our Western regimes, all masquerading as democracies, have managed to manufacture exactly what we see when we look around us: widespread neurosis, mass misery, the collapse of moral values, Christianity in ruins, and the coarse brutalization of the common man.

No need for gulags for those who consent to their own chains.

Since 55 percent of the world’s child porn is produced in the US (see above), and since 90 percent of US porn is produced by Jews in the San Fernando Valley, California, it follows that Jews dominate the child porn industry in America.

In addition, if 23 percent of the world’s child porn is produced in Russia, it is more than likely that Russian Jews are behind this sleazy industry in view of the well-known involvement of the Judeo-Russian mafia in sex trafficking, sex slavery, prostitution and pornography in general.

This would make the Jews the predominant purveyors of child pornography in the world — a remarkable achievement for a race who make up no more than 0.2 percent of the world’s population.

Only a diabolical ideology can be behind child snuff films. When Jesus said “Your father is the devil” to the jews who rejected him and sought to kill him, he wasn’t speaking in hyperbole. Nor was

St John the evangelist when he talked about the “Synagogue of Satan”.

Although Satan’s motive for the dissemination of porn is the eternal damnation of souls, the underlying motive of Jewish involvement in pornography is political control. It plays a large role in their quest for world domination, the destruction of Christianity and especially the Catholic Church, and the ushering in of the reign of anti-Christ. An excellent interview with Dr E Michael Jones on Sexual “Liberation” and Political Control can be listened to here:

This is Darkmoon at her best: clear, incisive, not a word wasted. Everything is meticulously documented and yet presented in an easy and entertaining manner. A gem of literary style.

I would like to see this cutting-edge article circulated to as many different sites as possible for republication.

The message needs to be spread far and wide: that unless serious steps are taken to prevent our systematic demoralization and brutalization at the hands of the Jews, the end of Western civilization is inevitable.

That is a great picture of Sarah Silverman. She's smoking hot, and very funny. But it's a stretch to suggest she's emblematic of all Jews today. For one, she's an atheist. You should really consider doing some rudimentary research before writing your essays.

For the record, I love pornography. My wife and I watch it regularly, we get new ideas, role playing scenarios. I think the performing artists who do pornography should get the artistic merit they so richly deserve.

Ms Darkmoon never ceases to disappoint me. Her articles get more puritanical and life-denying by the day. Pornography is a blessing to mankind. Hey, I use it constantly when neither man nor woman is available to me.

In my darkest hours, I have sought refuge in the kinkiest scanarios. Interracial porn turns me on most, especially the sight of a beautiful young blonde with Aryan pigtails being fucked by a dirty big negro with an enormous dick like a black cucumber. To me this is symbolic of the destruction of the White race.

The mother and daughter of the White race, the potential nun, being screwed by a muscular gorilla who has no mercy on her. Oh wow, don't tell me about it!

Darkmoon doesn't know what she's missing. Why does she rail against all these innocent pleasures? Why is she so prudish, this Madam Prune?

I'll tell you why. Because her vibrator ain't satisfying her. She needs a beautiful black dick up her dry fanny.

When you seek to censor others, then censorship is what you are supporting. One day the same argument will be used to curtail your thoughts and speech. Many decades ago, I encountered a similar argument with two classic opposing sides, manufactured by Jews to divide and conquer the gullible goyim. At the time, drug users were, by and large, so-called left wing, touchy-feely, “hippies” wearing flowers in their hair. When approached with the question of the second amendment and “gun” ownership in general, they would look at me with dreamy, smoke filled eyes and say: “Like you know man, guns hurt people. If there weren’t any guns people would be a lot safer. We need love not guns to mend the world. If they all smoked dope there wouldn’t be a problem.” The coke ads came a few years later with the happy multiracial portrayal of everyone holding hands and loving each other in the name of “Coke,” a brand established on that very drug. In the other corner were the “gun” owners, staunch supporters of the second amendment. Portrayed by the media as a bunch of Snaggle-toothed, inbred, dumb- as-a-stick, neo-Nadzees, at that time the average gun owner was a rabid republican conservative who just said a lot more than no to drugs. In fact they were much more emphatic saying: “Those fucking druggies ought to be shot, every damned one of them! They’re

destroying America with drugs. They're useless liberals and we (America) would be better off without them." To both sides I would respond with the following comment: "This is not about drugs or guns, this is about freedom of choice; the freedom as an adult to make a decision whether or not one wants to use drugs or own guns. If you are willing to usurp another person's rights by government fiat, then you have clearly accepted the premise that you are willing to have any and all freedoms curtailed for "the good of society" as deemed necessary by the state. Eventually what will happen is you will lose your rights, your freedoms because you acceded to the demand to curtail another person's freedoms. Of course both sides thought this was an absurd argument. Guns and drugs were destroying America, therefore it was the commonest of sensibilities to ban each one in kind to meet the demands of those who would "fix" America to make it a better place. Funny thing, was when I was deep in the helmet debate, cage drivers would say: "Helmets just make good sense, after all when people like you are brain injured then the state has to take care of them". I would say to these ignorant masses: "Where does it say the state must be responsible for my decisions? Who says the state has to take care of me? Why can't I sign a statement relieving the state of all responsibility for my choice not to wear a helmet?" As the argument would grow heated, I would finally say, "Look, what if they made you wear a seat-belt? What if you had to be strapped in your car like a two year old every time you went for a drive around the block? How would you feel about that?" Of course in retrospect, the answers to such question are now plainly obvious. Instead of complaining and demanding censorship (in this case obvious trolls) why not just ignore them and continue on as if they don't exist? Why bother feeding the fire they start with their inane rhetoric? Or is it part of the plan to

shut down this website with childish bickering and backbiting?
Could this be yet another example of the Jews favorite game
of staged opposition?

@ Arch Stanton

“When you seek to censor others, then censorship is what you are supporting...”

Tell me, Arch: do you ever distinguish between free speech and the **abuse** of free speech?

As Avatar has astutely pointed out above, people who exercise their free speech by calling a black man a “nigger” on sites like this, would think twice of calling the man a nigger to his face!

Would you care to distinguish between free speech (= using the word “nigger” anonymously on this website, knowing it’s quite safe to do so) and COWARDICE (= not daring to call a man a “nigger” to his face).

To call a man a “nigger” behind his back, but make damn sure you don’t call him a “nigger” to his face, that is my definition of a coward.

Seymour Zak is not the only one who has crossed the line on this site. If Montecristo were to ban Zak for his foul obscenities toward Lasha, he would also have to ban those who show no restraint in their speech over abusive terms like “nigger” and “kike” which Lasha has asked these sonofabitches not to use.

They defy her openly, using insulting language she has kindly and politely asked them NOT to use, so why should they give a damn if people like Zak insult to her face with sexual obscenities?

If Montecristo were to apply fair and equal standards, they would ALL have to go!

@ Darrell

@ Brownhawk

Listen, I'm not the boss here. And I certainly don't want to come across as a stickler who maintains that everyone who uses the words "nigger" and "kike" — in a casual and moderate way once or twice — should be thrown to the wolves. That's going too far.

I'm just pointing out that we've got on perfectly well for the last 2-3 years on this site WITHOUT the use of these scurrilous terms. But suddenly we had an influx of new posters who peppered every single post with these words, making them almost trendy and *de rigueur*.

Even the great Lobro, who should have known better, began to splash these terms around like crazy, as if he'd suddenly become "infected" with the N-word virus! And it must have

been a subtle corruption of some kind for the simple reason that lobro had been scrupulous in avoiding these terms before.

Consider: would a highly respected guy like Kevin MacDonald ever use a word like “nigger” or “kike”? No, sir! He wouldn’t dream of it! He wouldn’t even allow the word to sully the reputatrion of his website by allowing it to be splashed around like tropical rainfall on every single thread.

Has Lasha ever used the word “nigger” or “kike” in ANY of her articles? Or in ANY of her comments? No, not once. She has kept her dignity. She has refrained from the language of the gutter. She has also avoided the universally abused F-word.

You see, people who know how to write well make use of understatement and irony. It’s only uneducated slobs, amateurish idiots with limited vocabularies, who splash around phrases like “Fuck the kikes!” and “Fuck the niggers!”

These creeps do nothing but exhibit to all and sundry their infantilism and low-brow philistinism.

Even Seymour Zak, despite his obscenities toward Lasha, is an infinitely superior writer to these retards. This is because he is an entertaning clown who knows when to stop.

I predict that Seymour will be more careful in future and I ask that he be given a second chance.

Scripture reveals the presence of two kinds of Jew amongst the children of men. One kind is defined by its DNA, ie it is a physical kind. Some even claim that this kind is not truly genetically jewish, but is Ashkenazi and thus Japhetic, rather than Semitic. But as overtly and allegedly jewish, they have as a putative nation been entirely subverted by the great dissimulator, satan. They are used to bring opprobrium and hatred upon the true Jew, the real Chosen People, who are defined by the apostle Peter thus;

“But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people, that ye should shew forth the praises of Him who hath called you out of darkness into His marvellous light”.

Furthermore, Paul tells us more about the real Jew:

“But he is a Jew which is one inwardly, and circumcision is that of the heart, in the spirit”.

Steven in Acts 7 was martyred by the false jews; he condemned them for the uncircumcision of their hearts; he described them as murderers and liars, which their subsequent actions proved

to be a simple statement of fact.

The true Jew therefore is marked not by a unique type of DNA, but by their faith in the Lord God; they were not born with this faith, but were given it by the grace of God at some point, after hearing the gospel of our Lord and Saviour Jesus Christ, and responding to it unto salvation.

Such are tempted by, as Christ Himself was tempted by, but neither overwhelmed nor compromised, by the rolling tide of filth unleashed by the earthly jew.

Herein therefore, the explanation for how Vladimir Putin might well be a jew, but also simultaneously a Jew, and thus elect and beloved of God.

Herein also the reason why Christianity will never be, as Ms Darkmoon so ominously opines, reduced to ruins.

A great article Ms Darkmoon. However, I must caution you, it's not a nice thing to insult one of the biblical prophets – Sarah Silverman.

Rabbi Susan Silverman belongs to Reformed Judaism. She is member of the so-called the “Women of the Wall” movement in Israel. The group has been protesting against being not allowed to pray at the Holy Wailing Wall near Islam’s third sacred mosque, the Al-Aqsa Mosque. She was one of the ten women detained by the Jewish police for praying at the so-called Wailing Wall. Susan also has the honor to be among the “2013 – Top 50 American Jews” including Pope Francis.

There are few things more demoralizing than seeing the women of your tribe getting defiled by your enemies.

Porn accomplishes three things for Jews:

1. It allows them to defile White women.
2. It makes them rich.
3. It demoralizes White men.

This is why I fully advocate racially-aware White men to pump and dump jewesses and treat them like whores. It may not be the best kind of vengeance, but at least it's something.

even in high school, when i was barely aware what a jew meant other than an object of mild derision (of the “four-eyes” type, nothing more) and there were some in my german class (me and bud elected it because we were the only 2 guys with about 20 women, didn’t learn a damn thing but now realize that it was most likely some kind of yiddish anyway ... me and pete were probably the only 2 gentiles in it), some were coming onto me but i was curiously unmoved at the time when my trigger was extremely light.

today, it would be a form of bestiality, i look at all these high paid hollywood actresses and no way could i saddle one up for love or for the money.

... *treat them like whores* ... what the hell are they anyway, the universal career and religious choice.

i would much sooner be turned on by a classy n ... black woman. fact, i saw some in african cities like nairobi (and london 😊) that were bombshells physically and behaviorally. not to mention cuba or brazil.

Lobro, why would any man want to treat ANY woman ‘like a whore’ if he lies with her? In fact – even more so should he politely regard her if he DOESN’T (lie with her). Somewhere, they are adored; and it is better and wiser to treat them kindly so they cannot make bad report against you. Why invite the angst?

Surely, a man-of-the-world such as yourself has encountered fine women of every pedigree. I am FAR more ‘provincial’ than many of you, and I can honestly say that I HAVE encountered some – jewesses, negresses, et.al., who are superlative. While I am a ‘racist’, and would not marry one and procreate, I neither would abuse them just for the circumstance of their birth. We should not condone that kind of conduct. (Calling names like ‘nigger’ and ‘kike’ can be fun in forums such as this one – but that’s about as far as it should go.) 😊

It’s not about the “circumstances of their birth,” it’s about conquering an enemy tribe’s women and thus undermining their men by humiliating them.

It's just a "fuck you" to jews.

You are a very smart man, legionnaire, and I applaud your knowledge. But, perhaps, you should consider the attributes of Kindness.

When I say that one must/should be able to 'take it to the limit' before shouting words of war, I mean it just so. I try to be kind because I am strong. I try to be pleasing to God because He rules. Truly, I have felt no more saintly than anyone else on here, but am trying REAL HARD to be peaceful. (I realize my/our mortality! 😊)

It is good to be able and free to postulate and articulate feelings of opposition to the status quo. However, when the 'rubber meets the road', it gets hot – and burns. Are you truly ready???

Creating excessive and undue animosity and hatred to our own by “out-crueling” the enemy is not exactly kind, wise or even a little smart in support of our own. Is it?

Consistent application of principled behaviors, severe as they might be, while maintaining an unassailable (to the demons) reputation of being beyond reproach as to bribery, double dealing, etc. is the best regards and interests of “our own.”

Zec 12:9 ¶ And it shall come to pass in that day, that I will seek to destroy all the nations that come against Jerusalem.

10 And I will pour upon the house of David, and upon the inhabitants of Jerusalem, the spirit of grace and of supplications: and they shall look upon me whom they have pierced, and they shall mourn for him, as one mourneth for his only son, and shall be in bitterness for him, as one that is in bitterness for his firstborn.

It grieves me terribly to read the comments quoted in the article, in regards to our Lord and savior Jesus Christ But the day is coming when they, Jews, will mourn for the one they pierced. God indeed, does a very strange work in this earth.

I agree this is Darkmoon at her best.

I am not sure, though, that the porn industry's primary purpose is vindictive rather it's all about the money. Since I live in the San Fernando Valley, where most of the world's porn is produced, I have to wonder what would happen here if porn ended and if that might answer Darkmoon's final statement that it is the

complicity of non-Jews who must be held equally responsible—money talks and no one wants to really kill the golden goose. Would the Valley turn into Detroit?

Traveling across the Valley a person would never guess that these suburban neighborhoods harbor the kings and queens of porn since the shooting of movies, etc. take place (or most anyway) in houses on quiet streets. But without doubt the Valley benefits. In recent years large swaths of the local mountains have become open space and mysteriously the drought stricken south is going to benefit from two tunnels that will divert water from the northern Sierras south. None of this is ever spelled out, of course, and someone could live here forever without any awareness of it at all... But money does seem to flow and giant "McWinsor's" emerge on hilltops lit up late, late into the night—filming...

If not vindictive is it really all about money. YES... it's all about money. I am reminded of this country western song about these two low lifes, Sonny and Sherry, who commit a robbery, kill a cop...the man goes to the chair and the woman takes off with the loot in a mercedes:

"Its Main Street after midnight just like it was before
21 months later at the local grocery store
Sherry buys a paper and a cold 6 pack of beer
The headlines read that Sonny is goin to the chair
She pulls back into Main Street in her new Mercedes Benz
The Road goes on forever and the party never ends."

Porn and what is CALLED money (i.e.; jew money. otherwise known as fed notes) are BOTH vindictive by there very EXISTENCE.

Just reading the words of the wretched Al Goldstein, or this fool Nathan Abrams is enough to characterize porn as vindictive.

“...pornography is one of the ways in which they get their revenge on their Christian prosecutors.”

As for “money”? That’s just it. It ISN’T in any true sense of the word. Call it the primary masonry tools we all use to mortar the bricks of our prison walls. (“masonry” – what jokesters those “elders of zion” are, eh?)

If that ain’t vindictive, I don’t know what is.

Wise words from Kapoore, as usual. He knows what he’s talking about because he lives in the San Fernando valley where 90% of American porn is produced. He says the Jew’s main driving force in producing porn is to make money. I agree with most everything Kapoore usually says, but with this I disagree most emphatically.

Numerous quotations in Darkmoon’s article from Al Goldstein, Luke Ford, Dr Nathan Abrams and many others make it absolutely clear that malignant hatred of Christianity is the driving force. Spite and hatred of Christians is the driving force. Even if there were no money in porn, they’d still be doing it. Money is just a bonus.

Demoralization and the creation of moral anarchy, Frankfurt School subversion, neo-Marxist iconoclasm, destruction of traditional values, smashing the family to smithereens, demeaning women, corrupting children, spreading misery, creating godlessness, propagating “the culture of pessimism”, this is what it’s all about.

Darrell has made this clear in his excellent post (see below). As he points out, it is the main thrust of Dr E. Michael Jones’ magnum opus *Libido Dominandi*.

And needless to say, Darkmoon says the same thing repeatedly in all her ground-breaking articles on Sexual Politics: that the Jewish motive behind porn is NOT money alone — that’s just the bonus — but the real motive is the enslavement and brutalization of the goyim masses. Vindictive hatred of Christianity and traditional moral values is indeed the driving force.

For Jewish pornographers porn is primarily about making money and defiling Gentiles, and it’s also, as Al Goldstein, said, because Jews seek to destroy the Christian moral order, or in his words, “because Christ sucks. The Catholic Church sucks.” But as E Michael Jones documents in his book, *Libido Dominandi: Sexual Liberation and Political Control*, it’s primarily about organized Jewry seeking to weaken their enemies, i.e., all non-Jews, in order to manipulate, control, direct, and ultimately to enslave or destroy them, depending on their usefulness. I’ll say it again, listen to this Jones interview and you will be enlightened, I’m sure –

“Tell us please, we hang on your lips, what we can do to overturn this jew order in which we are living in.”

I don't know. That's the most honest answer I can give. As far as I know, no one else has ever come up with an effective solution to the Jewish problem. Solving the riddle of the Sphinx would be easier.

THE JEWISH PROBLEM IN PERSPECTIVE

This age-old problem has been tackled throughout history without any success. For centuries, a ready solution was thought to be *expulsion of the Jews en masse*. This didn't work. The Jews just went elsewhere and created havoc. And then they came creeping back.

The next attempted solution to the Jewish problem, advocated by the Jews themselves, was *complete emancipation of the Jews*. It was widely believed that if their crippling disabilities were

removed, and if Jews were made equal citizens, that the Jewish problem would just “disappear” — especially with assimilation.

The Jews received their first emancipation in France. This was in 1791 after the French Revolution, a catastrophic event engineered by Jewish machinations. Emancipation proceeded at a rapid rate in country after country throughout the 19th century. Far from “solving” the Jewish problem, this simply made it worse. This was because Jewish emancipation inevitably led to Jewish supremacy. Every single country that emancipated its Jews was soon taken over by Jews.

In Russia, the Jews took their emancipation by force. This was in 1917 after the Jew-engineered Bolshevik Revolution. Communism was ushered in. The Pale of Settlement was abolished and Jews emigrated in swarms to the US and elsewhere. Did emancipating the Jews in Russia solve the Jewish problem? No, it did not. It made matters infinitely worse.

The Red Terror was soon to follow, the Russian peasants (good Christians all) were massacred in their millions by these Asiatic Khazars, and blood flowed through the streets of Moscow and St Petersburg. Over 66 million Russian Christians were killed by an essentially Jewish regime between 1917 and 1953. In comparison, the French Revolution was a nun’s picnic.

A new “cure” for the Jewish problem was offered by Theodor Herzl in the late 1890s: Zionism. “Give us a country of our own,” the Jews said in so many words, “and this will solve the Jewish problem once and for all. Give us Israel!”

The idea, quite simply, was this: if Jews were given their own country, they would all go and live there and get out of everyone’s way. The removal of their hated presence from every country, as they proceeded to settle in their new homeland, Israel, would solve the Jewish problem once and for all.

No Jews, no problem.

It seemed an effective solution to the Jewish problem, even though it meant stealing Arab land on which to park this recalcitrant race of rootless cosmopolitans.

Did Zionism succeed in solving the Jewish problem? No, it did not. It failed spectacularly like all other solutions. This was because most Jews refused to go and settle in Israel, continuing to inflict their hated presence on every single country which had wanted to get rid of them by giving them Israel.

This is where we are now.

By giving them Israel, the world made a tragic mistake. The Jews now have nuclear weapons. They threaten the world with their Samson Option. And needless to say, they are engaged in the ongoing genocide of the Palestinian people — as well as the conquest of more land in pursuit of Greater Israel.

An additional problem is that right now they dominate America and Europe at the same time, flooding all the White man's countries with endless hordes of immigrants and creating a mad multicultural menagerie.

The White man is rapidly becoming an endangered species in his own traditional homelands.

And so the world goes to hell in a handbasket, thanks to Jewish emancipation and Zionism, both originally thought to be “solutions” to the Jewish problem.

Not for me therefore to be so rash as to put forward yet another “solution” to the Jewish problem, given that far greater minds than mine have come up with solutions that have proved to be absolutely disastrous.

There is coming a solution.

The answer has been evident for thousands of years and before the dawn of recorded history.

Man inhabits this Earth.

BUT, man is not the most evolved being in the Universe.

Extraterrestrials watch this planet from overhead and by telepathic reading of the minds of men.

There are both negative and positive ET's.

Intercession in the affairs of earth by advanced technology is evidenced in the large number of Monoliths strewn about the

planet. Can anyone deny this?

Since the ETs visit this earth they do have some interest in it for study.

It is now becoming evident that Jews are instigating WWII by their attempts in the Ukraine. This will eventually lead to a nuclear exchange which will cause all life on Earth to cease. The ETs will have nothing to visit except a Moonscape and millions and billions of years of evolutionary experiments will be lost.

The ETs can clearly discern the cause of all this is the genetic aberration referred to as JEWS.

Expect an intercession in the same vein as portrayed in the movie, “The Day the Earth Stood Still” which was flawed because of the connotations of race mixing in it latest version. But if the aliens are indeed smart they will not destroy the works of Man but those who destroy the earth which have always been Jews and hopefully to the last strand of DNA. Your only hope will come from above.

It will not come from inside the box.

You really do supply the answers to the question, Lasha. In your statements, you point out that when the Jews were given more freedom, they only got worse and caused more destruction. Obviously, the Jews (like all criminals) require the most severe of restraints. Their demonic nature cannot be ameliorated because they truly are demons; it is their nature. Like any wild beast, proper restraints such as cages, shackles, chains, and work camps, are the best place for Jews.

When the People understand this basic Truth, the Jews can be tamed: "Jesus and Hitler Told the Truth about the Jews; the Jews are Devils — real ones!"

The solution is that you are not fooled like most of humanity. It's not that there's something for you to necessary to do in the world to help free humanity from what the jews are giving them, but that a part of your consciousness isn't fooled by the life that most unquestionably live. So you have to find out more about and expand more that something in you that isn't so painfully stupid.

That's truly the only solution and the only thing you actually have to work with. Everyone just externalizes, externalizes, externalizes, but it's not going to help you, especially in such meaningless/saddening cultures we find ourselves in, that have even removed true and nourishing human experiences from our lives.

Also, one other thing I want to comment on. . . I sometimes see a few commentators with too much darkness/negativity/pessimism. That's basically letting evil win. It's the worst you can do!

MEN buy porn. They are the target.

Sex sells. It always has. When sex stops selling, porn will go away. The removal of the profit motive will see to that.

Porn was around 2000 years ago. It took the form of men having dozens of concubines, eunuchs(queers) and wives. King David had nearly 1000 of each. He would not need magazines, tapes, CDs or the internet to get him aroused.

Porn is not aimed at any one religion. It is aimed at MEN. It is done for accumulating money.

@asap

King David had TWELVE wives. You are confusing him with his son, Solomon (who, supposedly, penned The Proverbs, Ecclesiastes, and The Song of Solomon).

The Christian opposition to having more than one wife came about as a broadening of Paul's qualifications concerning elders and deacons, found at 1 Timothy v. 2. That most Christian churches have misused and misconstrued this to indict [David, et.al.] is outstandingly amplified by the marriage/divorce industry – especially in the United States, which has been the primary objective of 'jewification' for so long. Look around you. How many married couples are truly 'happy'?? (It's a low 2%, according to a prominent 'marriage counselor psychiatrist acquaintance.)

Paul did not intend his advice to be spread throughout humanity. He meant it for Israel – the primary target of Jewry's destruction (i.e., we white folks). Consider where, in his letter to Titus, he admonishes against 'Jewish fables' (Titus 1:14).

The ascension of Jewry over our affairs has created circumstances where BOTH husband and wife must labor in the matrix of debt and tyranny. One cannot even inherit land, now, and keep it without some ties to 'the system' which demands coercive taxes to keep and till. Solomon and David were not subjected to this horseshit.

While helping my inaccuracy, you buttressed my major premise, which was that men had dozens of wives and concubines 2000+ years ago. A few hundred more or less is not the point. They were aroused by the 'real thing' way more than porn.

To be candid, asap, I don't see anything wrong with a man having more than one wife, PROVIDED he take care of them. It's not necessarily 'pornographic' – nor unheard of in recent times.

For instance, Eustace told me that H.L. Hunt's family asked him not to publish Hunt's biography because Mr. Hunt had EIGHT wives scattered across Christendom, and it would be embarrassing to them. (Being the gentleman he was, he honored their wishes.)

My own last 'serious' woman – to whom I was engaged to be married for no less than five years(!) – often said she wouldn't mind having 'sister wives' to spread around the duties of farm and family if she could only not have to work in the 'outside world'. (That she is a product of Choate and Princeton and Johns Hopkins makes her a fairly reputable component of her gender.) (Anyhow, she tired of my fear of being married, again, and dumped my ass after five years!) 😊

Whether we have one or a hundred wives makes no matter, so long as we are RESPONSIBLE and LOVING. It is not necessarily 'pornographic'.

You missed my point, somewhat, Gil.

Before the age of photographs and film, men used their numerous wives for arousal. But, some raped and killed.

Porn is so prevalent because men like sex. Pornographers sell men what they like.... for profits. It is NOT that difficult to grasp.

Blame the lack of control of excess testosterone..!!

Israel has used pornography in popularizing Holocaust and recruiting foreign Jews in IOF and attracting foreign tourists. Pornography became part of Holocaust during the trial of Eichmann. Books like 'I Was Colonel Shultz's Private Bitch', 'The House of Dolls', and the Israeli mass-production of 'Jewish memoirs showing naked pictures of young Jewish women sexually abused by the Nazi soldiers. In 2007, Israeli filmmaker, Ari Libsakar, made a documentary film Stalags (German prison camps), based on those pornographic propaganda crap.

I know there was a conspiracy to corrupt with the Frankfurt School, the Tavislock institute, even modern psychology. I entered college in 1967, the summer of love, and it took me decades to de-program from the experience. I would say, though, that it is hard for an outsider to imagine the importance of monetary success within the Jewish community. One must drive the right car, live in the right neighborhood, and have a wife wearing diamonds. People go into serious debt to achieve the show of wealth. I have seen women wearing 2,000 dollars worth of diamonds walking around like bait to be robbed (I mean couldn't they tone it down for the sake of their own safety), and then they are horrified when they do get robbed. But the compulsion for show is really there... on the other hand most of

these people are clueless when it comes to history. These are not people that could date Napoleon or the Renaissance or even World War II. Any conspiratorial organized program like the Frankfurt School is so far beyond them it is laughable. If there is a conspiracy of revenge it must be coming in a subtle way from higher forces.

On the other hand the Holocaust is all about revenge and it's visibly a political program—like the politicians who are required to kiss the Wailing Wall. Just this last week Obama was in Los Angeles and I actually saw his triad of black helicopters hovering along the beach in formation. So I looked up what he was doing here and it was of course the requisite visit to the Holocaust Museum. I'm not sure why he had to come here to a Holocaust Museum when he has one of his own just down the block from the White House, but maybe he needed to be observed showing the correct level of groveling for some big money interests—it was, of course a “fundraiser.” So there you have it.

The West is hopeless. The enslavement of the masses is complete. The average White person has no sense of his or her own racial heritage whatsoever. Everything European about them is gone. They are simply robots operating under jewish programming, totally incapable of thinking beyond the moral and intellectual parameters that jews have set.

The way Westerners are horrified at the “Holocaust” is the biggest example of this. Jews have started countless wars, caused countless genocides, have looted countless nations, and yet for

some reason the White masses see the attempted “extermination” of Jews as a “bad” thing.

I’m not concerned with whether the masses think the Holocaust happened or not. What matters is how they react to it. If the average White person knew what we here know, they’d enthusiastically applaud the Nazis for fighting back against the Jews, who have been trying to enslave and destroy us for 2,000 years.

I really don’t see any way out of this. It’s clear to me that 1945 signaled the end of the White race. If only the Germans had been more steadfast and developed nukes to obliterate D.C., London, NY, LA, Moscow, and a few other cities, we could have won. Unfortunately the German scientists were morally against developing nukes; as usual, Whites are simply too nice, when the rest of humanity is absolutely ruthless.

At this point the best we can hope for is a swift end to all life on earth.

You have a bleak and pessimistic outlook, but you get full marks for honesty. Cheer up! There are two things you overlook: first, the Law of Karma, whereby those who sow evil must also reap it, and second, the prevalence of the Unexpected in history.

Those who now seem to be winning could still lose.

The race is not to the swift, nor the battle to the strong . . . but time and chance happeneth to them all.

I don't believe in karma or "the unexpected." Yes, jews are pure evil (or in more objective terms, bad for Whites) but there's no reason to believe they have any kind of punishment coming. I know Voltaire said their destiny was to suffer, but jews rarely ever suffer. The idea of Jewish "suffering" and "persecution" is simply bullshit they tell themselves to reinforce their pre-existing hatred of us; for 2,000 years now, apart from maybe a few brief historical periods, jews have always been wealthy and powerful. The idea that jews suffer- or have ever suffered as a people- is laughable. There's no god or external agent that will punish the jews. It was up to us to punish them, and we failed. Now all that's left are the blacks, Arabs, and Asians, and there's no way any of those people are threats to Jewry.

As for "the unexpected," I don't buy it. I believe history is entirely predictable. Spengler knew the Reich wouldn't last, and Klages knew that WWII was Jewry's final victory over the West. There's never going to be any kind of palingenesis of the White man. It's over. We fought a war seven decades ago,

and we lost plain and simple. People who talk about “the end of the world” are fools; the world ended in 1945, all that’s left are ruins and degenerating life.

Don’t bother ever hoping for anything, because there is no hope. Hope is an illusion for the weak. There’s only what happens and what doesn’t happen. That’s always the way it’s been, and that’s the way it always will be.

For over seven decades I have been told about karma. I have read about karma. AND I have found there is no law of karma. We are born, we live, we die. The trick is to live as pain free as possible while not hurting others. That includes emotional pain and frustration, which some are exhibiting here. Too bad.

I never procreated because of my views. I did adopt two daughters.

spqr, as much as your claims are irrefutable, so is their their negation because we are on the metaphysical ground here, the world of unprovables by physical experiment and logical deduction.

the best you can do is make a probabilistic statement with an almost infinite margin of error.

the “law of karma” is just a psychological extension of the principle of the conservation of energy (momentum), a fairly reasonable expectation that the scale of justice, ie, suffering/reward vs. evil/punishment at some point reaches an equilibrium.

i can't tell you that it is true nor can you tell me that it is false because it is outside the empirical realm.

jews have made their bet and even so they feel sufficiently uncertain that they hedge it with demented postulates of preordained choice and superiority, favored creation by a psychotic superhuman entity.

they grind on mindlessly about tikkun olam and masonic bullshit how they are shepherding us all toward a “better” future so long as they retain the whip hand because we are just dumb animals to be domesticated for our own good. meanwhile, they eulogize their own perversions, an unavoidable product of their existential illness.

i keep it simple.
i see jews going in one direction and i head in a diametrically opposite one.
i am comfortable with this moral compass.
if they are right and end up in yahweh's heaven, i am not applying for the club membership, i refuse it even if offered.

of course, the metaphysical game theory has its own rewards in terms of pure non-pornographic fun.

is consciousness a freaky aberration or does a physical cosmos require it for its existence, sort of like whether a falling tree in an empty forest make a sound type of thing.

at every point of this curve are tangents zooming off who knows where.

all i know is that according to kapoore there are no jews there, they want their bling here and now, they pretend that it is the only thing that matters because they are scared of darkness (unknown).

their inner vacuum doesn't give them roaming freedom, the master devil doesn't cut any slack away from the physical.

the only measure of jew's worth is how much envy he sees reflected in the have-nots eyes, the rapture of the mean and nasty, their only reward before the putrid un-future.

well, deal me out of their equation.

I agree with Lasha and hp that the law of karma is inexorable. To me this is as obvious as my own navel. It is axiomatic.

I know that every action produces its reaction. Keep spitting in people’s faces and it’s blindingly clear that sooner or later you’re going to get your just deserts. Your comeuppance. If I play with fire, I know I’m bound to get burnt.

(Continued...)

Sow wheat, and you will reap wheat; sow tares, and you will reap tares; sow evil, and you will reap evil.

Anyone who claims otherwise is a godless nihilist. He has no belief in divine retribution. His belief system is rooted in a Machiavellian world view not unlike cultural Marxism and the pessimistic philosophy of the Frankfurt School.

I hate to say this, but in essence those who hold such views are espousing the philosophy of Satanism — except, of course, that they don't advocate evil. Instead, they are saying: "Evil often pays. You can do evil and get away with it."

For all their raging against the Jews, both SPQR and ASAP are the most "Jewified" individuals I've come across. I'm not saying they're Jews. I'm saying they have been thoroughly permeated with the cultural values of nihilistic Jews like Trotsky. Victims of Jewification.

Sure, people die and go unpunished. Sure, crime pays — sometimes. Sure, evil often flourishes — and there is no one to punish the wicked as they go from strength to strength on this earth like the Predatory Jew.

All this was known to the Ancients. Isaiah and Job speak of it in the Old Testament. *"My ways are not your ways..."*

Unlike these pessimistic nihilists who believe in nothing beyond this life, millions believe in an afterlife in which the laws of karma continue to operate.

ruth, in your eagerness to prove your point you commit fallacies two-by-two and must pay the price one-by-one (which is still better than two-by-four :-)).

first you state that the law of karma is axiomatic.
if so, stop right there, axioms are not meant to be proved.

of course, jews state a bunch of axioms too, all of them morally and mentally insane.

but then you trip up on the following: we all agree that jews are not our favorite life form, you then use this as basis for your argument that if jews hold a certain belief, it is automatically wrong and the truth is the exact opposite, thus if jews are nihilists who renounce the concept of just rewards, this is precisely what they (and all of us) are going to get.

i too believe in karmic balancing act but apart from interpreting certain metaphysical smoke signals, however dimly, i cannot establish the truth of it, no matter how personally convinced i am.

spqr is perfectly entitled to his belief without owning up to any fallacy thereof.

precepts like nihilism, pessimism and optimism are morally neutral and subject to sea change, a person is free to swing from one to another without incurring penalties in case of final reckoning.

(part of beatification process actually holds the protagonist's loss of faith and subsequent despair in high moral regard and him/her continuing the daily slog in service as an act of martyrdom – mother teresa being such a case, she had terrible time of it in her latter years without giving up the struggle – can darrell confirm?)

my remark may be that optimism, if accessible, is a mentally healthier state but if outside the reach, that's how the cookie crumbles.

like saying, dolphins are better swimmers, therefore you should swim like a dolphin.

one way to picture karma is to consider the second law of thermodynamics or the law of entropy which states (without being provable, right circassian?) that the degree of disorder

inexorably increases, which gives direction to the arrow of time.

a bottle that falls off the drunk's table, breaks up and spills the precious contents does not reassemble and refill and pops back up while the drunk gradually sobers up (although he might with time anyway, at least in short run).

well, karma may be its counterpart in panpsychic universe where the opposite law holds true, namely of things ordering themselves and falling into their morally ordained positions. thus justice.

thus jew finally gets the valid reason to weep, lament and moan.

as the world of matter goes random, the world of spirit assembles into the fine rubik's cube at the end of time.

Ruth:

You're exactly the kind of "anti-Semite" the Jews love: someone who sits back and waits for "divine intervention" or a "god" or "karmic justice" to punish the jews. In short, the anti-Semite who pawns off his/her duties to otherworldliness and a supernatural deity. This is exactly why the jews continue to go unpunished, due to the goyim's faith in the supernatural.

I'm in no way Judaized. If I were, I'd be a Christian or a liberal. You bring up Satanism without realizing that that too is a jewish idea.

You mention the Frankfurt School and Bolshevism. Well those WORKED for jews, didn't they? The jews endeavored to seize power, and they did, using those schools of thought (actually they were merely schemes to attain power, not coherent philosophies).

You condemn the jews for being powerful and doing everything it takes to retain that power but you condemn Whites for doing the same because you think it's "immoral." Again, this is how Jews want Whites to be: moralizing sissies whose actions revolve around lofty ideals of "goodness" while the jews simply kill everyone in their way and end up getting everything they want, whenever the way.

And nothing ever changes. Jews on top, Whites on the bottom, as it's been for centuries.

Ruth, you're a victim of a lie. There's no god, afterlife, or universal moral paradigm. The jews invented Christianity to weaken the Romans, and then the virus spread throughout all Europe. Christianity did do some good, but much like Islam, its adherents have degenerated in the last few centuries due to their beliefs in afterlife and divine justice.

Justice is a human concept, and therefore only humans can realize it.

You can call me a "nihilist" all you want but that doesn't actually make me one, nor does the idea that millions of people believing in an afterlife makes it real. From my perspective YOU are the nihilist because you have placed all your faith into a world that probably doesn't exist. I believe in THIS world and I believe in taking action in THIS world because this world is, as far as the limits of my reasoning extend, is the only world.

The jews are strong because they believe in only this world. Whites are weak because they believe in a non-real world. When you have an enemy you must learn from them and do everything you can to defeat them.

Take the conquest of North America for example. What if, hypothetically, the Indians had a chance to invent superior weapons to beat the Whites and save their race? Would they have done it, or would they have said to themselves, “Whites are evil, we don’t want to be like them, therefore we will NOT invent these superior gunpowder weapons, but instead we will be “moral” and stick to our bows and arrows and try to beat them like that?”

How silly would that have been? And yet your perspective is no different: you want us to beat Jews using our obsolete and impotent moral idealism.

Your philosophy is a philosophy of failure. To beat the Jews and free our lands we will have to become the most merciless and bloodthirsty race the world has ever seen, because nothing less will stop them and their black and brown foot soldiers (what they call “immigrants”).

Make no mistake, genocide IS THE ONLY ANSWER to the jewish question (it’s not even a question anymore), and if you can’t accept that then you’re of no use to any kind of pro-White movement.

lobro-As a former nuclear engineer, I am very familiar with entropy. All systems in the universe tends from organized to disorganized.

Less organization=more entropy.

Entropy is a MEASURE of disorder or disorganization in a system. It is NOT the DISORDER itself. Entropy generation can also be viewed as a measure of disorder or disorganization generated during a process. The concept of entropy is not used in daily life nearly as extensively as the concept of energy, even though entropy is readily applicable to MANY aspects of daily life. Application of the entropy concept to nontechnical fields is not new. I use it frequently in describing many social events.

AND....

I have my own saying: "Might makes Right, and Entropy Rules All."

Oops what I meant to say was not 2000 dollars in diamonds but 20,000 or even more—2,000 dollars in diamonds is undressed for these ladies.

But I think that Darkmoon's point is that porn causes brain changes that lead to addiction. However, this is new information and could not have been part of the original conspiracy. Jews generally don't see anything wrong with porn as is evident from some of the comments here because Jewish culture is uninhibited about sex. Think of Fraud and how central "penis envy" was to his thesis. Then there was Wright with his "orgon machine" and he was serious about it—he thought mechanically inducing orgasm would lead to physical health. (Of course, his biography shows what a complete pervert he was.) Then we have the whole phenomena of "sex magic" that came into the west via Jacob Frank and probably ended up in the secret societies. According to scholars of the Kabbalah, phallus worship may have been part of the big secret hidden away in that obfuscating language of 13th Century

Kabbalists. . Sex on Sabbath eve is a religious requirement. And on it goes. Compare that to your average gentile woman of the 1950s in America who probably did not know she had genitals until her honeymoon.

So basically an extremely sexually inhibited culture came up against a super sexually uninhibited culture, which broke through the boundaries and taboos with porn. It's not a conspiracy it's a cultural attribute.

I'd like to take a few minutes to present to you my opinion on a few matters;

For decades the West has been inundated with one sided falsehoods/lies about their "hallow'dcaust and the evil Nazi's role in this much aggrandized "stage play".

Keeping in mind the fact that the Synagogue controls world media, (not by chance mind you), consider for a moment that Hitler, Germany and the National Socialists were/are vilified simply to prevent we Goy from knowing the truth and how close, (had it not been for their puppets in the West), the synagogue came to a justified extinction. Hitler saw, recognized and executed a plan to end the suffering/murder of tens of millions of Christians/Muslims through out Eastern Europe and prevent the spread of that cancer further into the West. Had we not been plagued with the Roosevelts, Morgans, Eisenhowers, Churchills et al, had those swine been true servants of their nation/people, all this filth would only be seen in history books for the synagogue by now would have been settled in Madagascar contentedly(?), feeding off one another to extinction rather than

making the Christian/Muslim world a tangible hell-on-Earth. Follow the link to an amazing site and, (putting your pre-conceived “beliefs” on hold), watch the documentary. It has been released in nice, easy-to-grasp 15 minute segments;

There is coming a solution.

The answer has been evident for thousands of years and before the dawn of recorded history.

Man inhabits this Earth.

BUT, man is not the most evolved being in the Universe.

Extraterrestrials watch this planet from overhead and by telepathic reading of the minds of men.

There are both negative and positive ET's.

Intercession in the affairs of earth by advanced technology is evidenced in the large number of Monoliths strewn about the planet. Can anyone deny this?

Since the ETs visit this earth they do have some interest in it for study.

It is now becoming evident that Jews are instigating WWII by their attempts in the Ukraine. This will eventually lead to a nuclear exchange which will cause all life on Earth to cease.

The ETs will have nothing to visit except a Moonscape and millions and billions of years of evolutionary experiments will be lost.

The ETs can clearly discern the cause of all this is the genetic aberration referred to as JEWS.

Expect an intercession in the same vein as portrayed in the movie, "The Day the Earth Stood Still" which was flawed because of the connotations of race mixing in its latest version.

But if the aliens are indeed smart they will not destroy the works of Man but those who destroy the earth which have always been Jews and hopefully to the last strand of DNA.

Your only hope will come from above.

It will not come from inside the box.

great article. i knew some of it but couldnt put it in words like lasha darkmoon does.

this is part of the protocols of zion conspiracy.

they invaded and destroyed christianity and the funniest funniest

thing is to find an evangelist who would tell you “those people in israel, they are indeed gods chosen people” with a straight, serious face.

what do i say when i hear this?

i say

“yes thats true,

Jesus said “I am the way and the truth and the life. No one comes to the Father except through me.”

and then i look at the evangelist face.

if he turns yellow it means he knows that the tamud says

(In the Talmud Christ is called Otho Isch – “That man”)

The Talmud also teaches that Jesus Christ was illegitimate and was conceived during menstruation; that he had the soul of Esau; that he was a fool, a conjurer...

he turnhs yellow because he knows he is stuck in a stupid contradiction.

you simply cannot be both a jew and a christian! thats like trying to be an atheist and a muslim at the same time!

If he doesnt turn yellow it means he is even worse an ignorant and just like those who do terrible things in the name of islam should also be avoided because talking to him is just a waste of breath..

he is a house without windows!

yes the jews do know how to manipulate the masses.

and now they are coming for islam.

which of the 57 islamic countries they already got? (at least their goverments..)

Jordan, Morroco, Lebanon, Tunisia, these countries you will find almost anything you find in paris.

still a lot of work to do, though

god is driving them crazy

“Those whom the gods wish to destroy they first drive mad.”

The only thing that has ever been significantly effective in resolving the Jewish Problem is the policy enunciated by Pope Gregory the Great in his “Sicut Judeis Non” document around the year 600 which prohibited Jews from any contact with Christians in which they could subvert faith and morality and also from possessing positions in society in which they can harm it. It also prohibiting Christians from doing harm to the person or property of Jews. This policy was effective for almost 1000 years and was undermined by the Protestant “Reformers”, who were by and large Judaisers. But it was still the policy of the Catholic Church until Vatican II, which was partially hijacked by Jews and Judaisers in key positions in the Church. All this is amply documented in E Michael Jones’s *The Jewish Revolutionary Spirit and Its Impact on World History* available at <http://www.culturewars.com> (<http://www.culturewars.com>). About half the book can also be read here: https://archive.org/details/TheJewishRevolutionarySpiritAndItsImpactOnWorldHistoryselections_857 (https://archive.org/details/TheJewishRevolutionarySpiritAndItsImpactOnWorldHistoryselections_857)

Jewish porn is everywhere, from the little, white dog pumping away at the leg of the man in the Focker (fucker) Jewish family series, to the singing Jewess, Pink, being screwed by her body double in one of her semi-pornographic video hits. And then sheilas (I'm from Australia) make the Top 10 with the line: "I've kissed a girl ... and I liked it!" (Kate Perry) And then there is your dancing lesbian, Ellen Degeneres, and your enthralled female audiences; most of whom admit they've done tricks with girls. Our little Oz children watch several video hits shows on Sat and Sunday mornings which are full of swearing, African-American, gangsta rappas; as well as sheilas showing their nipples and hairy triangles (some are shaved, as I look up close!) And then down at my nearby "noisy" church the rock bands play "songs" with barely changed words and I often hear that horrible word "nigger." And then a bloke got me to listen to that white trailer trash, EMINEM's songs: Many are pure filth about his mother and lascivious girlfriends and pelvis grinders. JEWS love stewing in filth; and their Jewesses will do it all ways, I can guarantee! Put restraints on your Jewish-Americans or die in a quagmire of STD-induced filth! And tell your "darkees" (Gilbert Huntly) to do up their zips and zip up their jive-talkin' mouths!

Good morning, Maxey! 😊

To tell you the truth, ‘darkee’ is no more than a suggestion to irritate the artificial, pompous asses who decry the ‘N-word’ at the same time they utter their desire for racially homogenous society. Either shit – or get off the pot!

Hypocrisy is even more deplorable to encounter in forums such as this fine one, than is pretension to being hard-line. (In my life, I have found that most of the biggest mouths have the smallest testicular enhancement, i.e., ‘small balls’...)

While it is true that it seems less-than-proper to use the ‘N-word’ so often in conveying thoughts in print – there are times in verbal exchange when NOTHING LESS WILL DO! It is emphatic. It has its place. I agree with you and others about it – so don’t be so hard on me about my alternative suggestion. (wanna get a contemporary liberal scratching his or her head about your background?? Casually drop the word ‘darkee’ in a personal, intimate conversation, and observe the reaction! 😊 :).)

People are entertaining to observe. Almost ALL of them – black, white, red, or yellow. Whites have the most hang-ups, though. We’ve been CONDITIONED to be apologetic. I have encountered jealousy and back-stabbing all my life FROM MY OWN KIND, and it is, therefore, my choice (and luxury) to be able to exclude myself from society-in-general. BUT, even a ‘hermitized’ shit like me enjoys the participation in banter such as is produced and presented in this very fine forum.

Let’s be friends, Max. No use in not. We pretty much agree on the issues, anyway (except the Bible – which I recommend you consider more carefully).

speaking of “hermitized”, a totally unrelated but amusing aside:

i spent some months in the deep south of yucatan renting a flat behind a small beachside hotel, whose proprietor kept throwing out coffee grounds on a particular pile in the bush behind my bungalow.

he told me to check it out on the night of the full moon.

and it was positively swarming with hermit crabs climbing over each other in stampede to snort that coffee and get stoned in a hurry, dozens if not hundreds of them.

i guess the moral is that even hermits must party sometimes (likely on the night of the full moon).

@ Gilbert Huntley

@ Max Bilney

One must do one’s best to avoid juvenile histrionics by sticking one’s tongue out at someone and spitting/sneering/hissing: *“Ya boo, you dirty nigger!”* Or, *“Fuck you, you filthy kike!”*

Anyone who use such infantile gutter language and thinks he’s being clever is deluding himself.

If you want to hurt the feelings of a Jew, simply address him politely AS a “Jew”. If you want to hurt the feelings of a black man, simply address him politely AS a “negro.”

Believe me, it works far better as an insult than calling them “kike” or “nigger” to their faces. Because it is factual.

This is because when you call a Jew a “Jew”, you can do it with a straight face, as if no insult were intended. If he gets angry at the use of your factual language, you pretend astonishment and murmur politely, “I’m sorry, I intended no harm! I thought you WERE a Jew! (Pause) Aren’t you a Jew...?”

There’s nothing he can say. He IS a Jew! So he just makes himself ridiculous if he kicks up a fuss at your use of this entirely factual word.

On the other hand, use the word “kike” and you give him a handle over you, a just cause for grievance, and you will lose the sympathy of all around you who heard you call him a “kike”.

Call a Jew a “kike” at a dinner party and not ONE off the guests will sympathize with you. You will make yourself *persona non grata*. An ill-mannered lout who will be shown the door and banned from the house. And rightly so.

But address him politely at the dinner table in the phrase, “Gosh, I do admire all those gold chains round your neck! It must be so nice to be a fabulously rich JEW!”

Believe me, that works far better. It wounds in a subtler way. “*Ya boo snubs, you filthy kike!*” is strictly for the morons and mentally deficient skinheads.

I think Montecristo and Lasha would like this site to have well-educated and sophisticated posters. They don't want it to become a forum for semi-literate morons and foul-mouthed skinheads. Continue to use words like "nigger" and "kike" and you make this site a garbage dump.

Well, Ruthie darling, we're ALL quite capable of reading and employing Emily Post pointers. However, we are not on a Post-type critique, here. Moreover, where did you get the (mistaken) idea that anyone of us wanted to 'hurt' someone else's feelings?? (Shame them, perhaps – but setting out to 'hurt' is very infantile.)

Any of us who are invited to dinner parties, in the first place, ALREADY know proper etiquette. We don't need admonitions from pretentious little twits who seek invitations (who, unfortunately, are the types most found there, these days). They are the VERY types upon whom it is most FUN to 'drop the N-bomb', IMO. 😊

Have fun, and speak your mind on here. If Lasha or Monticristo were running a popularity contest for themselves, they wouldn't provide this forum, in the first place. We who visit are likely just as scrutinized as they. In fact, I know it to be so. Just conduct oneself as a lady or gentleman, and embarrassment doesn't occur as often – in any milieu.

It doesn't matter if you call him or her a jew, kike, shylock, untermensch, semite, or hebe. If you notice in any way that he/she is a jew, he or she is going to be hostile to you from that point on, because jews do not like to be recognized in any way as jews. They prefer to blend in as "Americans, "British," "French," etc. even though they never are.

The language itself is merely dressing. Yes, in polite society we don't call them kikes, but that's only because the masses of Whites don't realize that they are at war with us. We were to openly confront them, casually referring to them as kikes wouldn't bother anyone.

FYI – jews chose the damned word!!

KIKE: The most likely origin of the term is the one proposed by Leo Rosten – https://en.wikipedia.org/wiki/Leo_Rosten (https://en.wikipedia.org/wiki/Leo_Rosten)

According to Rosten:

The word kike was born on Ellis Island when there were Jewish immigrants who were also illiterate (or could not use Latin alphabet letters), when asked to sign the entry-forms with the customary 'X,'* refused, because they associated an X with the cross of Christianity, and made a circle in its place.

The Yiddish word for ‘circle’ is kikel (pronounced KY-kul), and for ‘little circle,’ kikeleh (pronounced KY-kul-uh). Before long the immigration inspectors were calling anyone who signed with an ‘O’ in place of an ‘X’ a kikel or kikeleh or kikee or, finally and succinctly, kike.

According to Rosten, Jewish U.S. merchants continued to sign with an ‘O’ in place of an ‘X’ for several decades, spreading the nickname kike wherever they went as a result.

ruth they wouldnt call a black man a nigger to their face only thru the window of a fast passing car or when holding a cocked gun because they know that if they call him that in front of their face they will get an ass wiping; jews on the other hand are called whatever because they are smaller and couldnt stand a beating even from a white man who is also weak.

“I’m all for same sex marriage!” this woman told me in a crowded train. “I think it’s great!”

A lesbian couple sitting across the aisle grinned appreciatively and gave her a thumbs-up sign.

“I know a woman who married her dog,” I said. “That, too, was a same sex marriage. Her wife was a bitch called Sheba!”

Everyone glared at me in astonishment.

Outrage was universal.

The lesbian couple looked like they wanted to strangle me.

“Homophobe!” someone muttered. “People like you belong in the dark ages...”

“But it’s a fact!” I said. “I’m not making this up!”

“You’re making it up!”

I frowned and pondered, digesting situation.

“Give me your email address,” I said, addressing all and sundry. “And I’ll send you a link.”

Two guys gave me their email addresses, including the lesbian couple. Later I had the satisfaction of sending them this link:

Using the word “negro” won’t acquit you any more. It will only alienate, not potentially unite.

While “black” was obviously a term invented by social engineering, when paired with the positive information which Ruth provided its usage now can be seen in keeping with an alliance against a common enemy.

Like using a snake’s venom in a healing antidote for the very affliction it caused.

While I agree that it is the parents that should be upheld, I do believe in giving a voice to young people. I tried (I say tried, yet still pressing on) homeschooling my children. Tried to give them a real childhood, one of innocence and adventure (not being stuck in a classroom all day, get muddy...that kind of thing), wanted them to become critical thinkers. All seemed well until they started working little part time jobs (just as bad as going to school). Our children have to swim against an ocean of sewage these days and one remark I keep hearing from young folks is how 'old' they feel. The rape of innocence, be it physical or mental or spiritual, rends a person to the point of exhaustion. They are trying to process all this sewage, not really grasping that they don't have too. Our oldest who hooked up with a slightly older girl (I say girl b/c her mentality is such), was convinced that he was missing something. After moving out and in with her at 17 (went local on us), he proceeded to 'do what he wilt' and consumed as much of the sewage as possible. In a short span of two years, he was complaining of feeling old. Sin and degradation does that to a person. Innocence can be reclaimed by separating oneself from the trash of this world. Stop embracing all the crap. Start supporting all those artists that are trying to be truly beautiful and good. And for the "Christians" out there, come out of these fake, false, lying churches. Take a sabbatical and think about what is really going on in them. You are being fleeced (raped).

And lastly, did you see the video of the Dad protesting the book 19 minutes? He was only allowed to speak for 2 minutes and then arrested because he kept talking (protesting and quiet gentlemen like). What did the other parents do? Sat on their big butts and did nothing!

Deirdre,

I enjoyed reading what you had to say. You have an original mind. Very refreshing.

Well, I'm sure the homeschooling you gave your kids will not be wasted. Your son may have gone astray for a bit, but don't worry about that. Remember the Parable of the Prodigal Son.

@ Lobro

On the use of the word “nigger” by SPQR and Max Bilney and others on this site.

Lobro,

I am glad to see that your are too intelligent and sensitive to make use of this blatantly racist word, “nigger”, in your posts. Kudos to you! I’m also pleased to see that SPQR has stopped using the word, though Max Bilney continues defiantly in spite of the wishes of Lasha and Montecristo that all such expressions of overt racism be avoided on this website.

In an email forwarded to me this morning by one of my friends, here is what White nationalist **John de Nugent** says about blacks: they are our potential allies in our struggle against the Jews, and all who antagonize blacks by calling them “niggers” are therefore making a BIG mistake.

Let me quote White nationalist leader John de Nugent:

“... a new White-Black alliance against the common enemy, Jewry, is in the making. I have a Black partner who is a former Rotary Club president, popular educator, and activist in a major steel mill town in the Pittsburgh area. And the Jews are against him...

Blacks are the most anti-Jewish demographic in America at 29%, according to the ADL itself. Many slumlords are Jewish, and many Blacks know Jews started and ran the slave trade, and they control the NAACP. And many are pro-White, yes, and I

know this to be true. They also hate gangsta rap music, drugs, crime, illegitimate births and 39% say they would not vote for Obama again.”

Anyone who alienates our potential allies against the Jews by his careless use of the N-word is to my mind a dangerous imbecile. He is *an enemy within*. Without knowing it, he is weakening our cause.

Another potential ally Whites have against the Jews are of course **Muslims**. Islamophobia is therefore to be scrupulously avoided. Jews never lose an opportunity to target Muslims in the media. How they would love to wipe the Palestinians off the earth and destroy Iran!

We should therefore value Muslims, like blacks, because both Muslims and blacks know in their bones that the Jew is the common enemy.

Please stop lending your support to users of the N-word on this site. They are clearly wrong to use this word and you are wrong to defend them. Because they are helping to drive away potential allies in our common struggle against the Jews.

ruth, i am fully aware that for all their perceived minuses, to wit: low iq, bestial nature and sexuality, short attention span, brutality, etc, negroes have pluses that go long ways in offsetting these, like i said, **perceived** minuses.

i have found them as a rule, more direct, honest, fearless in defense of friends, loyal, funny, warm, less uptight.

but this also goes for certain white ethnic groups such as albanians, whom i have come to like a great deal, even gypsies whom i know but a little appear that way.

as for iq, i consider it an essentially jewish invention, designed to promote their sense of self worth.

almost as if saying that you have a high iq is the same as saying that you are a good yeshiva material or a champion rat in a laboratory maze.

i could go on and on but won't, it is not such an interesting topic for me.

suffice it to say that my using those terms was just an act of defiance, a refusal to let jew dictate linguistic terms and moralizing as if he had a clue what morals stood and were used for.

if someone were to call me a dickhead, does it mean i have to run to a psychiatrist and claim permanent emotional damage to be translated into enormous and neverending stream of fiscal damage in court, for the state department to go on high global alert for hate speech, the media and entertainment churns kick into gear for production of movies featuring sensitive lobro who bravely stood up to bully who called him a dickhead, with weepy ending of candle vigils, floral wreaths at yad vashem, military bands at nfl games and fl6 jets writing contrail messages of support for lobro???

this is what rowan at niqnaq calls the mighty jewish wurlitzer, an apt phrase and this is what i maniacally object to.

Lobro, friend, sometime you make me despair! Sometimes, not often I grant you, your logic goes all wonky. Do you feel the need to use the word "nigger" just because the Jews tells you NOT to use it?

This is childish defiance in which you simply cut off your own nose to spite your face! Why alienate a potential ally in our struggle against the Jews? Why openly defy Lasha and Monte

who clearly don't want this scurrilous word to be used on their site?

Forsooth, the Jew sayeth, "Thou shalt not use the word "nigger". Therefore the noble Lobro replieth through his teeth, "Damn you, Jew! I'll use the word BECAUSE you forbid it!"

Dangerous logic, my friend!

If a good Jew (and there are a few around) says to you, "*Stop! Don't take one step further! You're standing on the edge of a cliff!*" — would you look at his kippa and say, "Fuck you, kike!" — and, in sheer defiance of the Jew, step into the ABYSS?!?

sard, you are unfortunately so focused on the form that you lost sight of the substance.

let's make it simple, if you had a choice of

1. offending some (gentile) minority, or

2. groveling before a jew

which would you choose?

i would choose #1.

all the more so because if you give in to jew, he will simply tighten the leash to reel you in a bit closer with the next step, nothing but total slavery of us all, black, white and colored in-between will satisfy him.

i don't consider blacks much of a threat and they likewise shouldn't consider me much of a threat.

if a jew is the lawgiver that says, ok, blacks can use the n-word all they want as well as highly qualified shabbo whites like quentin tarantino and eminem but the rest of you cannot, what is your response, sard?

okay, fine, can i at least call lobro a racist?

yes you can, you have our permission ...

are you however slowly starting to get it?

i will not use the n-word if it gives lasha, monty, ruth and you such an indigestion but stand warned that this is the **only** reason that i sidestep the kabbalah frankfurt gauntlet tossed at me by the jew wor(l)dmaster.

nothing to do with negroes, they can read it right here.

in fact, if any are present, i would like them to step forward and say, go ahead lobro, use it all you want, just to spite the hypersensitive persons of jewish persuasion who also might lurk in the audience.

In the interest of running interference for lobro (and only because he hasn't responded to you yet, Sardonicus), I didn't take away from his post that he was being stubbornly petulant. It's not like he's not grasping the import of, e.g.; Ruth's info on what can be discerned as being effective in fighting a common enemy.

As he said, he's just making a statement denoting an act of defiance. Not to be seen in any form of practical consideration.

like i said, it's a start.

@ Rev

No sir, it is your bad-mannered response to Ms Darkmoon's well-written comment that "is not good for me."

You are either a fool or a Jewish infiltrator.

For a start, your question was framed in a rude and churlish manner, oozing with unnecessary sarcasm, and I am surprised Lasha even bothered to reply to you, given the open hostility of your tone:

"Lasha Darkmoon, we have seen enough and enough of your eloquent writing about the jew/jew order... But tell us please, we hang on your lips, what we can do to overturn this jew order in which we are living in."

“Tell us please, we hang on your lips, what we can do to overturn this jew order in which we are living in.”

To this rudely put question, Lasha answered modestly and politely:

“I don’t know. That’s the most honest answer I can give. As far as I know, no one else has ever come up with an effective solution to the Jewish problem. Solving the riddle of the Sphinx would be easier.”

Seems perfectly reasonable to me. She doesn’t know the answer to your question. No one else does, she adds, going on to give a detailed account of all the attempts throughout history to solve the Jewish problem, all of which ended in failure.

Every point she makes is correct.

1. Expulsion failed to solve the Jewish problem because the Jews kept coming back.
2. Assimilation failed, because the Jews refused to assimilate.
3. Emancipation failed, because it made the Jews stronger and better exploiters of the goyim and led to Jewish supremacy.
4. Finally, Zionism failed, because Jews refused to go and live in Israel and remove themselves from other people’s countries where they remained persistently obnoxious and unpopular. In addition, Zionism failed all the more spectacularly in that it gave the Jews a permanent nuclear-armed military base from which to threaten the rest of the world. In short, Zionism gave the Jews the Samson Option: the capacity to destroy the entire planet if ever driven to desperation.

All this potted history, which you refer to sarcastically as a “lecture”, was summarized in impeccably neat prose that gave us all a bird’s eye view of the entire Jewish problem from a historical perspective.

Let me tell you why you are annoyed with Lasha’s terse summary of the Jewish Problem and how every attempt to solve the problem has failed.

It is because you are an agent provocateur and naively expected Lasha to rise to the bait and suggest that the only solution to the Jewish Problem is the complete extermination of the Jews.

Indeed, another poster on this site, known as “SPQR”, was to trot out this old chestnut in due course, giving the impression that he was enunciating a highly original policy which no one else before him had ever thought about.

Yawn, yawn! This is hardly an original idea. It occurs to almost every antisemite 24/7!

There is also, of course, the milder remedy of quarantining the entire Jewish population in a secure location where they have no further contact with the rest of the world.

Lasha did not suggest either extermination or quarantining because she made it clear that she was simply giving a historical survey of measures that had already been tried with no success: i.e., expulsion, assimilation, emancipation, and a separate state for the Jews (Zionism).

ok, so the problem remains just as solid as ever.

all the solutions tried so far have failed and even some of them seem unacceptable and the one solution guaranteed to work (no-jews-no-problem) by lonnie, spqr and maybe others is universally unacceptable.

no new and creative solutions proposed.

therefore the conclusion is there is no solution and we are all collectively passing time until our own extermination which the jew has no fear in asserting outright.

66 million dead goys? been there, done that, old hat.

666 million dead goys? doesn't sound too impressive to the monsanto board of the elders of zion.

6.66 billion dead goys? now we are talking, providing that sufficient number of qualified slaves remain to satisfy the chosen requirements.

Beautifully put. Not a word wasted. This is precisely the status quo. All the acceptable solutions have been tried. They have failed. Only the unacceptable solutions, as you rightly state, remain untried.

Ther most effective untried solution is, as you hint or imply, is extermination. Complete extermination. Lonnie and SPQR have suggested this. Fine.

No Jews, no problem!

Q.E.D.

But come, be reasonable, do you honestly expect our little Lasha io stick her neck out and state openly on this website like a demented Dalek: : *“Ex-term-in-ate! Ex-term-in-ate! Ex-term-in-ate! Ex-term-in-ate! Ex-term-in-ate!”*

Strewth, she'd be sharpening her own guillotine blade! This website's name would become mud. We'd all be in FEMA camps in the shake of a lamb's tail!

And Lonnie and SPQR will be chuckling up their sleeves and

playing *agents provocateurs* on other sites...

No, dear Lobro, you ask too much from Lasha if you expect to tie her own hangman's noose and and endanger her own life by openly advocating mass murder. It can't be done. It's against the law. It invites prison and torture. Even JB Campbell, extremist extraordinaire, hasn't recommended the total extermination of the Jews.

You're a fool if you think that it matters what we say on here, whether it's pro-violence or anti-violence. It's all the same to the jews; they'd happily kill all of us no matter what we say, simply on the basis that we oppose them. Anyone who posts at all on sites like this one, or SF, VNN, TOO, Amren, etc. is a target. Actually, anyone who even visits sites like those is a target as well, since the powers that be know everything you do online.

You think the jews stopped murdering Russians once they had gotten rid of the ones who opposed them with force? No, they continued to imprison and kill millions more after they had done away with the ones who were actual threats. It'll be the same with us. Or do you think the jews practice anything remotely resembling self-control? How stupid are you to think that jews will be nicer to those race-conscious Whites who didn't preach violence against them?

Yes, when the purges come to America and the West, jew-lover Jared Taylor will be hauled off to a camp as well, and he too will suffer the wrath of some non-White commissar, whether black or jewish or whatever. Hell even most White leftists will be deemed "unreliable" due to their ethnicity, and will suffer the same fate as us racialisists.

It's hilarious how even those Whites who are awake, such as us, are in denial as to 1.) what must be done to our enemies and 2.) what they will do to us when the hammer comes down.

sard, you are quite right in that we cannot risk sticking lasha's fine neck into the noose.

hence, the **total extermination of the jew is out of question.**
there is another solution though.

i propose the **total extermination of goy.**

let me explain.

goy in jewish lingo means cattle.

SO, STOP BEING CATTLE! enough already.

i am doing my bit, i ain't no side of beef.

i consciously avoid any known dealing with jews although unconscious contamination is always a risk.

for example, i would never work for a jew, never.

and this spells doom for the jew who as i and many others have noticed has never in his long slimy history done a stitch of honest work.

he needs cattle-goy to do every little bit for him and he is completely dependent on the avails of parasitism, it is his dna and religion.

so, the solution algorithm:

don't work for jew.

don't buy from jew.

don't sell to jew.

don't allow jew to steal anything of yours.

multiply the above by 7 billion and problem solved.

i can do no more than that, i cannot uncattle the cattle, they must do it themselves.

just say no to jew.

and wake up to a better world.

The final solution (doncha love that term?) is to render the jew irrelevant.

And soooo.....

Don't work for jew

Don't buy from jew

Don't sell to jew

Don't allow jew to steal anything of yours

A fine algorithm on its face. But the real meat of the problem needs to address it realistically. DEFINE JEW FOR ME WILL YOU PLEASE, IN THE NAME OF SOLVING A PROBLEM BY PRACTICAL MEANS!

Sorry. I really needed to get that off my chest. The problem is JEWIFICATION, DAMMIT. This isn't Nazi Germany, circa 1938 where stormtroopers could go around with their cans of paint slathering up jew-owned shops with stars of david. Or choose one, ANY one of the myriad examples going back back back to the deep dark past when identification of the enemy of Man was virtually cut and dried.

sooo....

WHO exactly are we working for? (and how are they paying us?)

WHAT exactly are we buying?

WHO exactly are we selling what TO?

Who exactly is it that's stealing WHAT from us?

All these questions have a common denominator. Can you guess what that is?

And just remember, until we remove ourselves as far away from it that is reasonably possible, and “reasonable” in this context will require from us some serious, I mean serious painstaking work and reflection, then all our professing of wanting to rid ourselves from this parasitic miasma will only subsist of the mild and ineffective actions of treating a symptom.

A hint: It can only come about from within us all AS individuals. What are we prepared to do?

hp, are you here, brother?

I have started several successful campaigns in the past. This one presents different and more difficult problems to surmount. The 'chosen' label is a big obstacle.

Public awareness is the key. Awareness of the damage to their wallets and looting their money gets the most attention.

lobro and rev offer good ideas which are worth attempting. And lobro touched on an issue which may need more attention. Kosher labeling.

With the dues suggested by rev the organization could buy its own newspaper and other media advertisements exposing the kosher seals, listing the 100+ jurisdictions and their individual markings.

Start your own newsletters and blogs individually, and collectively as the group, exposing the kosher racket.

Make up 'business cards' to carry with them in their wallets or purse or pockets to the stores with the most prevalent symbols there.

Look for resources available, such as well-off donors to contribute to the effort.

Run a campaign exposing the labeling as if it were another 'Tea Party' but... against the labels.

Tap the resources of the 'identity' ministers for all types of resources.

Make a list of sites already against the chosems and post them everywhere.

Keep being creative about the attempt to expose the ‘chosen’ theft.

@ asap

lobro and rev offer good ideas which are worth attempting.

Rubbish! Rev has not offered a single good idea. All he has tried to do is waste Lasha’s time, as Sardonicus has made absolutely clear.

Lasha gave a long and considered response to his original rude and sarcastic question. He said he wasn’t satisfied and tried to waste more of her time. She has wisely decided to waste no further words on this guy.

As for Lobro, he has put forward many fine ideas, but admits that there appears to be no “acceptable” solution to the Jewish problem.

Extermination of the Jews might seem a good idea to SPQR and Lonnie, but only a raving lunatic would expect Lasha to start shouting from the rooftops, “Let’s exterminate the Jews!”

Where do we start, huh? Go ask Lonnie. He has all the answers. How many Jews did he exterminate last week? He's not telling. It's a top secret.

yes sard, i took good notice

(<http://www.darkmoon.me/2014/pornography-as-a-secret-weapon-by-lasha-darkmoon/comment-page-2/#comment-628845>) of it.

(There has been **not a few** people who has made the claim that Lasha , Lobro and Sardonicus etc. should be considered as jews.)

so, it looks like rev has done his homework carefully before staking his turf for the first time here at darkmoon, ie, counted every single attack on any one of us.

thus, his cartridge clip well stocked, he wades in, laying waste to the regular darkmoon crew.

of course, not something that a troll would do in his approach to the task, is it.

and in his judgement, he relies on the hearsay of others to determine the truth.

in this wonderful video of robert faurisson's pretrial comments he has this to say about the operation of the nuremberg international military tribunal (the charter):
4:44

Article 19: The Tribunal shall not be bound by technical rules of evidence

Article 21: The Court shall not require proof of facts of common knowledge but shall take judicial notice thereof

looks like rev's modus operandi is the same, what he determines to be "common knowledge" is sufficient for his condemnation, why confuse the issue with facts when karen

and gabreal jones don't see the necessity?

so, the fact that we did not propose a definitive, easy to administer solution to the jewish problem is all the proof needed that we are jews.

hm ... which clearly means that all these millions out there, led by heroic rev DO have a workable solution, otherwise they'd be jews too, wouldn't they.

Contrary to others' misguided musings... rev DID state...
THIS PLAN....

we can start with NEW christian political parties, with real christians, with christian human rights organisations, organisations to fund by the few rich christians, christians can donate monthly 1% of their wages or more for a christian reveille, get rid of jews uit christian organisations, etc. To help/fund the few real christian lawyers/doctors etc.

Real christian people should gather together and organized secretly like the freemasons etc etc. Get good contacts with minorities etc.

The ideas are worthy of attention.

Actually, I am surprised to learn that one in four Germans is antisemitic, given the extreme level of intimidation and media control in Germany.

France's figure of one out of every three being antisemitic is surprising, too, but I guess the huge number of Muslim immigrants in France would account for that.

What I find particularly surprising is the notably high figure for Greece: 69% antisemitic. Any idea what could account for such animosity toward Jews in Greece?

Answer: 98% Christian. Religion in Greece, is dominated by the Church of Greece, which is part of the wider Greek Orthodox Church. It represents the majority of the population

and Greek Orthodoxy is constitutionally recognised as the “prevailing religion” of Greece (making it one of the few European countries with a state religion). Catholic is second.

The fact that in Greece the religion is nominally part of the greek orthodox church doesn't mean that the bishops and archbishops are the real thing. As in the roman catholic church which was on the top and midlevel infiltrated by the jews, it will not be different with the greek orthodox church as we all know the cameleon way of the jew. so don't be fooled.

i have real trouble communicating with you and to some extent with asap, must parse every damn word and even then nothing seems clear enough for your comprehension.

in answer to your question:

1. i hope that someday 100% of the world are antisemites, this is precisely the goal of my effort.

2. i know perfectly well that all jews can do is lie.

however, jews lie in order to advance their goals, to wit, protect themselves from negative opinion, moreover to deceive, mislead and manipulate opinion in order to achieve world control, so when viewed from this perspective, even their lies can be informative – do you get this? If “no” stop reading right here, no point continuing.

so, they want to maximize their victimization w.r.t. germany in order to secure a raise in h-caust extortion payments and also keep their us pavlov dogs apart from the german pavlov dogs lest they wake up to the scam, thus “germans are gruesome baby eaters, brave yanks, especially big hearted

negroes saved us poor jews, so we repay them through hollywood holo-barf, where negroes get to bang blond shiksas”. ETC.

i think that germans fundamentally dislike jews and want them gone to the last but are scared to say anything in public because they don't trust anybody, even the supposedly anonymous surveys with leading questions.

for me, even a score of 27 is encouraging because

germany is a pivotal nation, especially if they team up with russia.

i don't care what asap and spqr have to say in this regard, they are entitled to their bit without haranguing me at every step. i have stated my opinion without endless repeats because being loud and repetitive is the essence of propaganda (call it hasbara if you will).

lobro,

I doubt if any of the above will register on the sluggish brain of asap. I don't think he understands what you're saying. Allow me to clarify the situation so that he does.

@ asap

This is what lobro is saying and what I am saying:

1. Lobro batted for you initially by putting in a good word for you, so that you weren't kicked off this website. You repaid him for his kindness with mockery and ridicule and by generally pissing him off. Which is what you continue to do right now.
2. When given the choice of evicting you from this website or losing SIX other veteran posters, Lobro chose to evict you because the alternative of losing six good posters was just not feasible. However, he made it clear that he didn't WANT to evict you and was doing it reluctantly.
3. After Kaminski had spoken up in your defense, Lobro revised his viewpoint in deference to Kaminski and was happy when management here rescinded his decision to evict you. The management, I understand, was impressed with Kaminski's defense of you and realized at that point that evicting you would be UNFAIR. They realized that, as a pal of Kaminski's, you had to be a genuine poster and not a Zionist troll. And Lobro realized this too.
4. So this is where we all stand now, with everyone convinced you are a genuine poster and with no one asking for your

eviction.

5. Finally, I understand from management that you are ON TRIAL here and that if you continue with your empty posturing and your constant mockery and sniping at Lobro, Montecristo will have no hesitation in booting you off this website.

Lobro has only to say the word — and you will be history.

I do not feel that I am prodding anyone when I ask questions, which is what I did with lobro yesterday. That is not against the rules.

I am no more sniping at lobro than he with me when ***he included ME(asap) in his response to 'rev' this morning, claiming I do not understand and that he must parse every word.*** That was totally unnecessary. All of my comments about lobro have been directly to lobro, until this comment to defend my position.

I am no more ridiculing lobro, than he of me, calling me a 70+year baby and crusty and other terms, which he feels ok in doing, but I might feel need to be addressed or the object of a response in kind.

Let's keep it a balanced comment section.

Thanks for your concerns.

Dear Darkmoon, great stuff. Absolutely spot on. I would like to post it on Twitter, but you have no Twitter icon, or Facebook, or Google for that matter. Can you get that set up so this can get spread as far and wide as it will go?

The present world is fully crazy, but was Hitler in Mein Kampf so wrong about the danger of jews? Please don't misunderstand my comment, I only observe reality.

Most women are not attracted to most men, just like in many species on this planet. Pornography exists because most men are not having sex or receiving any meaningful affection from women, and need a release. Certainly Jews have exploited the situation, but they didn't create it. It's biological reality. Even if all men were fit and healthy and attractive it wouldn't matter.

And what's the alternative to porn for men? Going back to legally allowing men to have sex with their wives whenever they want? Prostitution? I'm not saying porn is good and I'm not trying to divert attention away from the Jews, I'm just saying... is there a less destructive, realistic alternative?

I am sure the ongoing persecution and kidnapping of children in Gaza is as true as could be. We have harbored venomous snakes in the form of Jews , who have whored our women and destroyed our families and made fun of us. and each year take our 3 billion dollars and gift it to israel the house of all pimps and murderersSad but true.
